

Private School Principal Questionnaire

Spring 2008

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 1850-0800 (exp 04/12/08) The time required to complete this information collection is estimated to average 10 minutes, including the time to review instructions, search existing data resources, gather the data needed, and complete the information collection. **If you have any comments concerning the accuracy of the time estimate or suggestions for improving this form, please contact:** Marsha Silverberg, U.S. Department of Education, Institute of Education Sciences, 555 New Jersey Avenue, NW, Washington, DC 20208, Marsha.Silverberg@ed.gov. **If you have comments or concerns regarding the status of your individual submission of this form, e-mail directly to:** babettegutmann@westat.com.

Responses to this data collection will be used only for statistical purposes. The reports prepared for this study will summarize findings across the sample and will not associate responses with a specific district or individual. We will not provide information that identifies you or your district to anyone outside the study team, except as required by law.

This is a time of change in education within the District of Columbia. To better understand the differences between public and private schools, this survey asks about policies, practices, and working conditions in your school. It is part of a multi-year study that will examine how public and private school conditions change over time and throughout the District.
