

The U.S. Census Bureau contacted the highest elected official of your tribal government regarding an upcoming invitation to participate in the 2010 Census Local Update of Census Addresses (LUCA) Program. The LUCA Program, mandated by the Census Address List Improvement Act of 1994 (Public Law 103-430), provides tribal, state, and local governments with the opportunity to review and update the Census Bureau's address list.

The accuracy and completeness of the address list is critical to the enumeration process and the quality of the resulting census data. Through participation in the 2010 Census LUCA Program, your knowledge can help ensure that we achieve complete coverage in our enumeration of your reservation and/or off-reservation trust land(s). If your tribal government chooses to participate in the program, you will be able to:

- Review and update the Census Bureau's address list, or submit your address list to the Census Bureau in a specified format.
- Review and update the legal boundaries and features of your reservation and off-reservation trust lands on the Census Bureau maps.

The enclosed 2010 *Census Local Update of Census Addresses (LUCA) Program – Tribal Government Information Booklet* provides an overview of the 2010 Census LUCA Program and answers questions that may assist your tribal government in deciding whether to participate in the program once your government receives the invitation letter in July 2007.

Also enclosed is the *Contact Information Update Form* that lists tribal contacts we presently have on file for your tribal government. Please review and correct the information printed for each contact person. Return the completed form to the Census Bureau in the enclosed preaddressed, postage-paid envelope or fax it to \_\_\_\_\_ within two weeks of receipt of this letter. Thank you for taking the time to review and complete the *Contact Information Update Form*. Accurate contact names and addresses are essential if the Census Bureau is to convey timely information to your tribal government regarding opportunities to participate in Census Bureau programs.

If you have any questions regarding the 2010 Census LUCA Program after reviewing the enclosed booklet, please contact your Census Bureau Regional Office by telephone at 1-866-511-LUCA or via e-mail at \_\_\_\_\_

Your Census Bureau Regional Office will soon invite you to attend a 2010 Census LUCA Program promotional workshop, which provides background information on program goals, participation options, program materials, and security guidelines. The Census Bureau will send the 2010 Census LUCA Program invitation letter and registration materials for your reservation to the highest elected official of your tribal government in July 2007. Please use the time between now and July to discuss this program with your tribal government, to decide on your tribal government's participation option, and begin any necessary preparations.

Sincerely,
