A report of your recent examination at the Framingham Heart Study has been forwarded to:

The examination at the Heart Study focuses on cardiovascular disease and is **NOT** a full exam. You need to see your own doctor for periodic complete check-ups.

Any clinical abnormalities requiring that you see your physician are written in the following space. Some test results are not immediately available; any abnormalities detected will be sent directly to your doctor.

We look forward to seeing you again and appreciate your support. Your cooperation makes possible further progress in the determination of causes and ways of preventing heart disease.

Thank you for your continuing support.

Sincerely,

Examiner _____
