INSTRUCTION CARD [ATTACHMENT F]
TIMER
SPINNER

FIRST ACTIVITY SET UP:

TIME: 5 MINUTES

[INTERVIEWER]: “In this first activity, I would like you all to talk to each other for 5 minutes about different rules that families might have. The rules are on the backs of each of these cards [ATTACHMENT N]. You’ll use the spinner to choose which piles of rules to draw from. The blue pile contains rules for kids, the red pile contains rules for parents, and the green pile contains rules about right and wrong behavior. You should take turns spinning to see which piles of cards you choose from. For example, if you [CHILD] spin red, take the first red card and read its rule out loud. If you need help reading the card, someone can help you read the card. Then, I’d like [CHILD] to start the discussion by first saying what he/she thinks about the rule, followed by (MOTHER) saying what she thinks, and then (FATHER) letting everyone know what he thinks. Then each of you should talk about your answers with each other.” “Now, there are not any right and wrong answers here – I just want the three of you to talk about these rules. Please take your time talking about the topic. When you all feel you have said what you want to say about the rule on the card, I’d like the next person to spin the wheel and pick up another card from the pile, and talk about the rule on the card in the same way. Don’t feel that you need to get through all of the cards on the table. If you only have a chance to discuss the rule on one of the cards, that is fine. I’ll let you know when the 5 minutes are up. Any questions?”

ONE CO-PARENTING ACTIVITY:
10-MINUTE PROBLEM SOLVING DISCUSSION

ACTIVITY MATERIALS

LIST WITH AREAS OF FAMILY DISAGREEMENT [ATTACHMENT C]
TIMER

ACTIVITY SET UP:

TIME: 10 MINUTES

[INTERVIEWER] “For the first activity, I’d like you to talk about topics that you disagree on. First, I would like you to identify the three topics that you disagree about the most. Here is a list of topics that children and their parents often have different opinions or disagreements about [ATTACHMENT C]. For the next few minutes, I’d like you to review the list together and pick three topics on which you disagree about the most.”

“Once you’ve picked three topics, please write down next to them how often you disagree on them and how strongly you disagree on them. I will leave the room while you review the list. If you finish going through the list before I come back, just call me and I will return. Any questions?”

ANSWER QUESTIONS ACCORDINGLY.

LEAVE THE ROOM AND RETURN AFTER 3 MINUTES. MAKE SURE TO KNOCK ON DOOR BEFORE ENTERING THE ROOM, IF POSSIBLE.

“OK. Did you have a chance to select three topics?”

IF FAMILY IDENTIFIED THREE TOPICS SKIP TO INSTRUCTION A:

IF FAMILY DOES NOT IDENTIFY TOPICS OF DISAGREEMENT FOLLOW THESE STEPS:

- TALK TO TEEN AND PARENTS ABOUT ANY POSSIBLE AREAS THEY MAY DISAGREE ABOUT, EITHER FROM THE LIST OR OTHERWISE.
- STRESS THAT WE ARE NOT LOOKING FOR SOMETHING THEY HAVE HUGE ARGUMENTS ABOUT, JUST SOME AREA THEY DON’T AGREE ON.

- ASK THE TEEN TO RECALL A DISAGREEMENT HE/SHE HAS HAD WITH HIS/HER PARENT IN THE PAST 2 WEEKS. IF THE TEEN CAN'T OR WON'T NAME AN AREA, TELL THE TEEN THE DISCUSSION WITH THE PARENT SHOULD FOCUS ON HOW DECISIONS ARE MADE IN THEIR FAMILY ABOUT THE TEEN'S ACTIVITIES OUTSIDE OF SCHOOL AND WHETHER THE TEEN AND PARENT HAVE DIFFERING VIEWS ON THIS.

(IT IS IMPORTANT TO REMEMBER THAT ALL CHILDREN AND PARENTS HAVE BEEN INFORMED THAT THEY CAN REFUSE TO ANSWER ANY QUESTIONS).

INSTRUCTION A: “OK, now I would like to videotape the three of you while talking about one of the disagreements that you have selected. The first topic that I would like you to discuss is [INSERT TOPIC]. [CHILD] will start the discussion by telling you about the disagreement that the three of you have and describing his/her side of it, followed by his/her view of your sides of the issue. We'd like the three of you to talk about this issue for 10 minutes, so take the time to talk about all sides of the disagreement.

You should each try to help the others really understand your side of the disagreement, and then try to reach some resolution to the issue that you are all happy with. So you [CHILD] should help your mom and dad understand your point of view and you [FATHER] should help [CHILD] and [MOTHER] understand your point of view, and you [MOTHER] should help [CHILD] and [FATHER] understand your point of view as you work to reach a resolution you are all happy with and you feel like you've said everything you need to say about the topic. Any questions?”

ANSWER QUESTIONS ACCORDINGLY

“While you discuss this topic, I will leave the room again during your discussion, so that you feel as comfortable as possible doing this. As a reminder, everything you say during this discussion will be confidential. If you finish discussing the first topic, move on to the second topic you identified, and talk about it in the same way. Try to stay on these two topics as best you can until I come back. I'm leaving a card with the second topic that you identified, and an instruction card [ATTACHMENT E], just in case you need it. Any questions?”

ANSWER QUESTIONS ACCORDINGLY

“OK – Let's get started. Now, I am going to check on the camera one more time and then leave the room.”

LOOK IN THE VIEW FINDER OF THE CAMERA AND MAKE SURE THAT EACH PERSON IS IN VIEW. IF THERE IS AN ISSUE WITH THE LIGHTING, OR THE FRAMING IS NOT QUITE RIGHT, MAKE ADJUSTMENTS AS NEEDED. IF THERE ARE SOUNDS THAT COULD INTERFERE WITH THE RECORDING (E.G. TV, RADIOS, DISHWASHERS, ETC.) ASK IF YOU CAN TURN IT OFF OR DOWN DURING THE TAPING.

“Let’s go ahead and get started. You should do whatever you normally would do when talking about this topic.”

“Please do not touch the camera while I am out of the room.”

LEAVE THE ROOM.

START STOP WATCH, AND LET ACTIVITY CONTINUE FOR 10 MINUTES.

USE LISTENING EQUIPMENT TO ENSURE THAT SOUND IS WORKING AT START OF THE INTERACTION. CHECK TIME SPORADICALLY.

[INTERVIEWER] “In this first activity, I would like you both to talk to each other for 5 minutes about different rules that families might have. The rules are on the backs of each of these cards [ATTACHMENT L]. You’ll use the spinner to choose which piles of rules to draw from. The blue pile contains rules for kids, the red pile contains rules for parents, and the green pile contains rules about right and wrong behavior. You should take turns spinning to see which piles of cards you choose from. For example, if you [CHILD] spin red, take the first red card and read its rule out loud. If you need help reading the card, someone can help you read the card. Then, I’d like [CHILD] to start the discussion by first saying what he/she thinks about the rule, followed by [PARENT] saying what she/he thinks. Then each of you should talk about your answers with each other.”

When you both feel you have said what you want to say about the rule on the card, I’d like the other person to spin the wheel and pick up another card from the pile, and talk about the rule on the card in the same way. Don’t feel that you need to get through all of the cards on the table. If you only have a chance to

CAMERA INSTRUCTION:

SET UP CAMERA FOR CO-PARENTING INTERACTION. THE WIFE AND HUSBAND MUST BE INCLUDED IN THE FRAME. TRY TO BE SURE TO HAVE A CLEAR VIEW OF THE FACE AND UPPER BODY OF EACH SPOUSE. ZOOM IN AS CLOSE AS POSSIBLE, BUT CONTINUE TO KEEP THE WIFE’S AND HUSBAND’S FACE AND UPPER BODY IN THE FRAME. IN THE EVENT THAT ONE OF THE SPOUSES LEAVES THE ROOM OR MOVES OUT OF THE FRAME, THE CAMERA SHOULD REMAIN FOCUSED ON THE REMAINING SPOUSE, UNTIL THE OTHER SPOUSE RETURNS.

POSITION WIFE AND HUSBAND SO THAT THEY ARE SITTING SIDE-BY-SIDE AND CAN BOTH BE SEEN IN THE VIDEOTAPE. SPOUSES SHOULD BE ANGLED TOWARD EACH OTHER AND THE CAMERA. FOR EXAMPLE,

FIRST SOCIAL SUPPORT DISCUSSION INTRUCTIONS

[INTERVIEWER] “Next we would like to videotape only the two of you while you have a conversation about something you would each like to change about yourselves. [IF CHILD IS 8 YEARS OLD OR YOUNGER] “I’m going to ask [CHILD] to play with [CARETAKER] in a separate room during this activity.” [IF CHILD IS OLDER THAN 8 YEARS OLD]. “[CHILD], Do you think that you could go to your room or play outside while we do some more activities with your mom and dad?” [CARETAKER WILL TAKE CARE OF OLDER CHILDREN IF PARENTS DESIRE].

CARETAKER WILL TAKE CHILD TO A SEPARATE ROOM

“What you would like to change about yourself could be almost anything, like your work habits, your career, something about your personality or your appearance, some problem you have, friendships or relationships within your family -- and the important thing is that whatever you discuss is something you want to change about yourself, and that it is not really a problem in your marriage -- it should be more of a personal thing that you want to change. You’re going to take turns in sharing with your partner. Can each of you come up with something that you personally would like to work on or change?”

YES...SAY INSTRUCTION A

NO....SAY INSTRUCTION B

INSTRUCTION A: “Ok, so what is the topic that each of you is thinking about sharing with each other?”

CHECK TO MAKE SURE THIS IS NOT A PROBLEM WITHIN THE MARRIAGE.

ASK: “Is that a source of conflict between you two?”

IF YES...ASK “Can you please think of a different topic that is not a problem within the marriage and is something you want to change about yourself?”
(REPEAT THIS PROCESS UNTIL THEY FIND A TOPIC THAT IS NOT A PROBLEM WITHIN THEIR MARRIAGE. HAND THEM THE SOCIAL SUPPORT LIST (ATTACHMENT B) TO HELP THEM THINK OF A DIFFERENT TOPIC. WHEN THEY PICK A TOPIC THAT’S NOT A PROBLEM WITHIN THE MARRIAGE, WRITE IT DOWN AND READ INSTRUCTION C)

IF NO...PLEASE READ INSTRUCTION C.

INSTRUCTION B: “Here is a list of personal issues (HAND THEM THE SOCIAL SUPPORT TOPIC LIST [ATTACHMENT B]) that other people tend to say they want to change about themselves. Please read through it and let me know if it helps you think of something to share with each other”

ONCE THEY’VE PICKED A TOPIC, ASK: “Is that a source of conflict between you two?”

IF YES...ASK THEM TO PICK ANOTHER TOPIC. REPEAT THIS PROCESS UNTIL THEY HAVE PICKED A TOPIC THAT IS NOT A PROBLEM IN THEIR MARRIAGE.

IF NO...THEN WRITE DOWN THE TOPIC SELECTED BY EACH SPOUSE AND SAY INSTRUCTION C.

INSTRUCTION C: “OK, before we start, I’d like you both to fill out this short questionnaire.” HAND EACH MEMBER OF THE COUPLE THE “SOCIAL SUPPORT DISCUSSION #1- PRE-QUESTIONNAIRE” (ATTACHMENT G)

COLLECT IT FROM COUPLE WHEN THEY HAVE FINISHED.

“Great, so I’m going to flip a coin and randomly select who will start the conversation.¹”

FLIP A COIN AND TELL THE COUPLE WHO WILL START FIRST.

"Ok, so [SPOUSE 1] will start.

So now I would like you to spend the next 7 minutes talking about [SPOUSE 1’s topic]. During this time, [SPOUSE 2], you can respond however you want to, but we do want you to be involved in some way in the discussion. There’s no need to explain names or places for the researchers, this is a private conversation between the two of you.”

CHECK FRAMING OF CAMERA.

“When 7 minutes are up, I will come back and ask you to switch roles. Remember to focus on [SPOUSE 1’s topic] or matters closely related to it until I return. I’m going to start the camera and you can begin as soon as I close the door. Please do not touch the camera while I am out of the room.”

Please remember to stay on that general topic, and don’t continue the conversation you just had about [SPOUSE 1’s] topic. Before you start though, I’m going to ask you to fill out this short questionnaire.” HAND EACH MEMBER OF COUPLE A SEPARATE COPY OF QUESTIONNAIRE FOUND IN APPENDIX I. TOPICS THAT MARRIED COUPLES TYPICALLY ARGUE ABOUT LIST [ATTACHMENT A].

PROBLEM SOLVING POST-QUESTIONNAIRE (ATTACHMENT K)

TIME: 7 MINUTES

INSTRUCTIONS FOR THIRD INTERACTION:

"Now we are going to have one more discussion. This time I'd like you two to identify one topic of disagreement and discuss it for 7 minutes to make some progress on the issue. Here is a list of topics that are common sources of conflict among married couples.

HAND THEM THE LIST OF *TOPICS THAT MARRIED COUPLES TYPICALLY ARGUE ABOUT* [ATTACHMENT A]. For the next three minutes, I'd like you to review the list together to select a topic that you consider to be a frequent source of conflict in your relationship. The

topic that you select should not be an issue that you have huge arguments about, I am looking for you to select some area that you just don't agree on. If there is a topic of disagreement that you do not see on the list, feel free to add a topic to the list as well."

"Once you've picked a topic, please rate the extent to which this topic is a source of conflict between both of you. I will leave the room while you review the list. If you finish going through the list before I come back, just call me and I will return. Any questions?"

ANSWER QUESTIONS ACCORDINGLY.

TURN ON THE CAMERA AND LEAVE THE ROOM

RECORD START TIME

WHEN YOU'RE OUTSIDE THE ROOM, RAISE THE VOLUME OF THE RECORDING MACHINE TO ENSURE THAT THE SOUND QUALITY IS GOOD.

REENTER ROOM AFTER 3 MINUTES. MAKE SURE TO KNOCK BEFORE ENTERING THE ROOM AGAIN "OK. Did you have a chance to select three topics?"

IF COUPLE IDENTIFIED A TOPIC GO TO INSTRUCTION A:

IF COUPLE DID NOT IDENTIFY A TOPIC OF DISAGREEMENT FOLLOW THESE STEPS:

- TALK TO COUPLE ABOUT ANY POSSIBLE AREAS THEY MAY ARGUE ABOUT, EITHER FROM THE LIST OR OTHERWISE.
- STRESS THAT WE ARE NOT LOOKING FOR SOMETHING THEY HAVE HUGE ARGUMENTS ABOUT, JUST SOME AREA THEY DON'T AGREE ON.
- ASK THE COUPLE TO RECALL A DISAGREEMENT THEY HAD IN THE PAST 2 WEEKS.

(REMEMBER THAT RESPONDENTS HAVE BEEN TOLD AT THE BEGINNING THAT THEY CAN REFUSE TO ANSWER ANY QUESTIONS THEY DON'T FEEL COMFORTABLE WITH.)

INSTRUCTION A: [HELP COUPLE CLARIFY WHAT EACH IS SAYING. FOR EXAMPLE: "So, Mr. A. you believe that Mrs. A. is making unreasonable demands when she asks you to look after the children the moment you walk in from work. And Mrs. A., you think that Mr. A. should be more willing to relieve you and leave you free to make dinner, and that you'd like him to be more involved with the kids."]

"OK I am going to videotape you discussing this topic for 7 minutes, just as I did during the other two discussions. You should try to use this discussion as an opportunity to work toward a solution, even if you cannot solve the problem."

CHECK CAMERA VIEW

RECORD START TIME

“I will return in 7 minutes. Please do not touch the camera while I am out of the room.”

LEAVE ROOM AFTER MAKING SURE SOUND IS LOUD ENOUGH. AFTER SEVEN MINUTES, RETURN, BUT REMEMBER TO KNOCK FIRST.

RECORD END TIME

“That’s the end of the time. You can end your discussion now. One more request is for you both to fill out this questionnaire about the discussion you just had [ATTACHMENT K].”

“Now that we have finished, we would like to give you the [compensation] that we promised to you and [FOCAL CHILD]. Thank you so much for helping us in this study.” GIVE PARTICIPANTS THEIR CHECKS AND GIFT UPON LEAVING THE HOME.

Topics that Married Couples Typically Disagree About ²

SUPPORTING HEALTHY MARRIAGE PROJECT

OMB Control Number: 0970-0299

Expiration Date: 5/31/2009

Research ID: _____

Agreement to take part in the Supporting Healthy Marriage Study

You are invited to take part in an important project called Supporting Healthy Marriage. This project will study programs to help couples learn how to get along with each other. The programs will also help couples be better parents. They will also help couples get services to improve their employment or health. A research company called MDRC is doing the study. The federal government is paying for the study.

This study is testing ways to help married couples get along.

This study will offer a new program [Local Program] to married couples. [Local program] will not have room for all couples who want to take part. Some couples will get to be part of [Local Program] but some couples will not. We will pick the couples who will get to be part of the [Local program] randomly, like flipping a coin. If we do not pick you, you can still get other services on your own.

If you agree to be in the study, researchers will collect information about you and your children.

The information you share with the study team is important. It could help make these services available to other couples like you. At the start of the study, you and your spouse will be asked to answer some questions in private. These questions will ask you how well you get along with your spouse, how happy or sad you are, and what makes you upset.

If you agree to be in the study, you and your spouse will be interviewed one or more times over the next seven years by a survey company called Abt Associates. Abt Associates is part of the research team for this study. You will be asked about your marriage, how well you are getting along with your spouse, your experiences with [Local program], and your children. You might also be asked to let us do some activities with your children. You do not have to answer any question that you don't want to answer. You will get [gift amount] for each interview.

If you agree to be in the study, [Local Program] program will share information with the research team about the services you get over the next five years as well. We might also collect data from [State] about things like your wages and benefits. We might also collect data from [State] about services your children get, and your children's school test scores.

Taking part in the study is your choice. You may stop being in the study at any time. If you stop being in the study, we will use any information that we have collected before then.

Your Answers Will Be Kept Private

Only the study staff will be able to see information you give them. Your name will never appear in any public document. All the study staff is trained to protect privacy. Information gathered from [State] about you or your children will be marked with a code number, not names. We also have a Confidentiality Certificate (CC) from the US government that adds special protection for the research information about you. It says we do not have to identify you, even under a court order or subpoena. Still, if keeping your answers private would put you, someone else or your child in serious danger, then we will have to tell government agencies to protect you or the other person. And, the government may see your information if it audits us.

Consent to Take Part in the Supporting Healthy Marriage Study

I understand that:

- [Local Program] will not have room for all couples. A random selection process will decide if I can get [Local Program] services.
- If I cannot get [Local Program] services, I will still be part of the study. I can still get other program services in our community.
- I will be contacted by the study team later for an interview. Some of the questions will be about personal things and my feelings. I can refuse to answer any question.
- The study team might use my name or Social Security number to collect data from government agencies.
- All information will be kept confidential, except as required by law or if I request otherwise in writing. However, if a person on the study team or in the program feels that keeping information confidential would result in danger to me or another person, they will have to tell appropriate agencies to protect me or the other person.

I agree to:

- Allow a random selection process to decide if I can get [Local Program] services.
- Answer some questions now and give the study team information about how to reach me for an interview later.
- Let the study team collect information on [Local Program] services that I receive.
- Let state and local agencies give information about me to the study team.
- Let the study team collect information about my children from me and from sources like state and local agencies.
- Allow schools to release my children’s test scores.

I can call [NAME OF PERSON] toll-free at [TELEPHONE NUMBER] at MDRC to ask any questions I may have or to ask about not being part of the study anymore.
