§ 3602.23

ADMINISTRATION OF SALES

§ 3602.20 Administration of mineral materials sales.

§ 3602.21 What payment terms apply to my mineral materials sales contract?

(a) Under a sales contract for mineral materials—

(1) For sales of \$2,000 or less, you must pay the full amount before BLM will sign the contract.

(2) When the sale exceeds \$2,000, you may make installment payments. The first installment payment must be the greater of \$500 or 5 percent of the total purchase price. If you elect to make installment payments—

(i) For non-competitive sales, you must pay the first installment at or before the time BLM awards the contract;

(ii) For competitive sales, you must pay the first installment as a deposit at the time you submit the bid; and

(iii) For noncompetitive and competitive sales—

(A) Once you have removed materials, you must make each subsequent installment payment monthly in an amount equal to the value of the minerals you remove each month. You must make the payment by the 15th day following the end of the month for which you are reporting. However, you must pay the balance of the purchase price not later than 60 days before the expiration date of the contract. BLM will credit your first installment payment to you at the time of your final payment unless we cancel your contract under § 3601.61; or

(B) You may make advance payment for your annual production based on the previous year's production or your projection of the current year's production, so long as you resume paying on a monthly basis as required in paragraph (a)(2)(iii)(A) of this section if your annual payment does not cover your actual production for the current year. You must resume monthly payments no later than the 15th day following the end of the month in which production exceeds the projected production on which payments were based.

(3) You must annually (as provided in your contract) produce an amount sufficient to pay to the United States a

sum of money equal to the first installment determined under paragraph (a)(2) of this section. In lieu of such production, you may make an annual payment in the amount of the first installment. If in any contract year you make production payments that are less than the first installment, you must pay the difference between the production payments and the amount of the first installment. These annual payments are due on or before each anniversary date of the contract.

(b) If you fail to comply with the terms and conditions of the contract and BLM cancels your contract under § 3601.61, you will forfeit all moneys that you paid.

§ 3602.22 When will a contract terminate?

(a) Your contract terminates when—

(1) Its term expires;

(2) You have completed production under your contract or permit and any renewal, and completed required reclamation; or

(3) BLM cancels your contract under § 3601.60 *et seq.* of this part.

(b) You and BLM may, by agreement, terminate the sales contract at any time.

§ 3602.23 When will BLM make refunds or allow credits?

(a) BLM may make refunds or allow credits if—

(1) When your contract expires, your total payments exceed the total value of mineral materials included in the contract;

(2) BLM determines that insufficient mineral materials existed in the sales area to fulfill the terms of the contract; or

(3) Materials you paid for are unavailable as a result of terminating your contract by mutual agreement under § 3602.22(b).

(b) If your refund or credit is a result of terminating your contract by mutual agreement under § 3602.22(b), BLM will reduce the amount of the refund or credit by the amount of the administrative cost of processing the disposal action. If these administrative costs exceed your total payments, BLM will not make a refund or allow a credit.
