E. Approval, Amendment or Renewal of a Cooperative Breeding Program (Wild Bird Conservation Act)

This application must be approved before import permits can be issued for the purpose of cooperative breeding. A Cooperative Breeding Program (CBP) must have at least two members. Zoological institutions may be members of a CBP. Once a program is approved, you must submit form 3-200-48 to request import authorization for specific birds.

The lead cooperator for the breeding program should submit this application.

Please provide the following information and complete all relevant questions on the application. Mark questions that are not applicable with "N/A". Please use a separate sheet of paper to answer the application questions. On all attachments or separate sheets you are submitting, please indicate the number of the application question you are addressing. If requesting authorization for more than one species or subspecies, please answer questions 1 – 4 for each species/subspecies.

Are you requesting to:

- Establish a **new** cooperative breeding program

PROCESSING FEE = \$200

(Please answer all questions)

- Amend an existing cooperative breeding program; CBP# _____

PROCESSING FEE = \$100

(If requesting new species, answers questions 1 and 2, and questions 5 through 7)

- Renew an existing cooperative breeding program; CBP# _____

PROCESSING FEE = \$50

(If there are no changes to the membership or species in the CBP, please answer questions 5 through 7)

1. A description of the species/subspecies to be covered (imported) under the program, including:
 - a. Scientific name (genus, species, and, if applicable, subspecies) and common name;
 - b. Number of birds required to meet the goals of the program (**Note:** indicate the total number of birds to be imported by all the members of the CBP for the life of the program); and
 - c. Desired sex ratio.

2. A statement justifying the need for this approval, which includes information on the current U.S. captive population of the requested species/subspecies and the need for import of additional specimens. Also, provide a description of the cooperative breeding program that includes:
 - a. Breeding protocol, including a genetic management plan and breeding methods, that justifies the total number of birds to be imported by the CBP;
 - b. Description of the long-term plans for developing and maintaining a self-sustaining population in captivity of the exotic bird species;
 - c. Details on the system of record keeping and tracking of birds and their offspring, including how individual specimens will be marked or otherwise identified;
 - d. Explanation on the relationship of the cooperative breeding program to the conservation of the exotic bird species in the wild;
 - e. Information on the long-term funding of the cooperative breeding program to ensure its existence until the CPB's breeding goals are met; and
 - f. Detailed plans for the placement of the exotic birds and any offspring, **recalling that birds imported as part of a cooperative breeding program cannot be loaned, sold or otherwise transferred to a non-member without prior authorization of this office.** Also, provide a description of how program birds will be dealt with if a member(s) leaves the program or if the program is voluntary terminated (members decide to disband and the program is not renewed) or involuntary terminated (the Service does not renew the CBP).

3. Describe care and maintenance of the requested species/subspecies, and how each prospective member's facilities meet professionally recognized standards, including:
 - a. Name and addresses of each facility where the birds will be maintained;
 - b. Photos and/or detailed description of each facility, including dimensions of enclosures for the birds to be imported and offspring and the number of birds to be housed in each;
 - c. Husbandry practices; and
 - d. A qualification statement for EACH individual who will be participating in CBP. This statement should include records showing the participant's prior breeding experience with bird species that are the same or similar to the species in the CBP.
4. Each CBP must identify an appropriate avicultural, zoological, or conservation organization that has agreed to oversee its activities. Please provide a statement from the designated oversight organization, on the organization's letterhead, that includes at a minimum:
 - a. Description of the expertise of the organization to serve as an oversight organization;
 - b. Criteria for acceptance of individuals into the proposed breeding program;
 - c. How participation in the program will be monitored; and
 - d. Relationship of the oversight organization to the CBP in establishing and maintaining a self-sustaining captive population of the exotic bird species or enhancing the conservation of the species in the wild.
5. If you are amending or renewing a program, you must also provide the following information:
 - a. The number, species, and sex of all birds that have been imported to date for your CBP, including dates of import, countries of origin, and disposition of the imported birds for each importer;
 - b. For each program participant, a summary of any breeding activity that has been achieved with the imported birds, including the number of eggs and progeny produced, and the disposition of any progeny;
 - c. For each program participant, a summary of any mortality, including mortality during transit or quarantine (for birds that died in quarantine, you must provide appropriate documentation from USDA/Veterinary Services) of birds imported as part of the approved cooperative breeding program, as well as details of any post-fledging mortality of their progeny;
 - d. A summary of progress made towards achieving a self-sustaining captive population of each species;
 - e. An explanation of any substantive changes that have or will occur regarding any aspect of the approved cooperative breeding program; and
 - f. An official letterhead statement from the designated oversight organization approving the amendment or renewal.
6. Provide a signed statement from each CBP member. The statements must contain the following information:
 - a. Member name;
 - b. Scientific name of all species being requested for the program;
 - c. Statement that the member is aware of the purposes of the cooperative breeding program and the Wild Bird Conservation Act and will abide by the regulations and conditions placed on the program, if it is approved.
7. Provide the address where you want permit mailed (if different than page 1).
8. If you wish the permit to be sent to you by means other than regular mail, provide an air bill, pre-paid envelope, or billing information.

If we have any questions, we will contact the lead cooperator identified in block A. on page 1.

PERMIT APPLICATION FORM INSTRUCTIONS

The following instructions pertain to the standard permit form 3-200 that must be completed as an application for a U.S. Fish and Wildlife Service or CITES permit. The General Permit Procedures in 50 CFR 13 address the permitting process. For simplicity, all licenses, permits, registrations, and certificates will be referred to as a permit.

GENERAL INSTRUCTIONS:

- Complete all blocks/lines/questions in Sections A or B, and C and D. Complete all of Section E.
- **An incomplete application may cause delays in processing or may be returned to the applicant. Be sure you are filling in the appropriate application form for the proposed activity.**
- Print clearly or type in the information. Illegible applications may cause delays.
- Sign the application in **blue** ink. Faxes or copies of the original signature will not be accepted.
- Mail the original application to the address at the top of page one of the application or if applicable on the attached address list.
- **Keep a copy of your completed application.**
- **Please plan ahead. Allow at least 60 days for your application to be processed. Some applications may take longer than 90 days to process. (50 CFR 13.11)**
- Applications are processed in the order they are received.
- Additional forms and instructions are available from <http://permits.fws.gov/>.

COMPLETE EITHER SECTION A OR SECTION B:

Section A. **Complete if applying as an individual:**

- Enter the complete name of the responsible individual who will be the permittee if a permit is issued. Enter personal information that identifies the applicant. ***Fax and e-mail are not required if not available.***
- If you are applying on behalf of a client, the personal information must pertain to the client, and a document evidencing power of attorney must be included with the application.
- **Affiliation/ Doing business as (dba):** business, agency, organizational, or institutional affiliation *directly* related to the activity requested in the application (e.g., a taxidermist is an individual whose business can *directly* relate to the requested activity). The Division of Management Authority (DMA) will **not** accept *doing business as* affiliations for individuals.

Section B. **Complete if applying as a business, corporation, public agency, or institution:**

- Enter the complete name of the business, agency or institution that will be the permittee if a permit is issued. Give a brief description of the type of business the applicant is engaged in. Provide contact phone number(s) of the business.
- **Principal Officer** is the person in charge of the listed business, corporation, public agency, or institution. The principal officer is the person responsible for the application and any permitted activities. Often the principal officer is a Director or President. **Primary Contact** is the person at the business, corporation, public agency, or institution who will be available to answer questions about the application or permitted activities. Often this is the preparer of the application.

ALL APPLICANTS COMPLETE SECTION C:

- For all applications submitted to the Division of Management Authority (DMA) a physical U.S. address is **required**. Province and Country blocks are provided for those USFWS programs which use foreign addresses and are not required by DMA..
- **Mailing address** is address where communications from USFWS should be mailed if different than applicant's physical address.

ALL APPLICANTS COMPLETE SECTION D:

Section D.1 **Application processing fee:**

- An application processing fee is required at the time of application; unless exempted under 50 CFR13.11(d)(3). The application processing fee is assessed to partially cover the cost of processing a request. **The fee does not guarantee the issuance of a permit. Fees will not be refunded for applications that are approved, abandoned, or denied.** We may return fees for withdrawn applications prior to any significant processing occurring.
- **Documentation of fee exempt status is not required for Federal, tribal, State, or local government agencies; but must be supplied by those applicants acting on behalf of such agencies.** Those applicants acting on behalf of such agencies must submit a letter on agency letterhead and signed by the head of the unit of government for which the applicant is acting on behalf, confirming that the applicant will be carrying out the permitted activity for the agency.

Section D.2 **Federal Fish and Wildlife permits:**

- List the number(s) of your most current FWS or CITES permit or the number of the most recent permit if none are currently valid. If applying for re-issuance of a CITES permit, the original permit must be returned with this application.

Section D.3 **CERTIFICATION:**

- **The individual identified in Section A, the principal officer named in Section B, or person with a valid power of attorney (documentation must be included in the application) must sign and date the application in blue ink.** This signature binds the applicant to the statement of certification. This means that you certify that you have read and understand the regulations that apply to the permit. You also certify that everything included in the application is true to the best of your knowledge. Be sure to read the statement and re-read the application and your answers before signing.

APPLICATION FOR A FEDERAL FISH AND WILDLIFE PERMIT
Paperwork Reduction Act, Privacy Act, and Freedom of Information Act – Notices

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501, *et seq.*) and the Privacy Act of 1974 (5 U.S.C. 552a), please be advised:

1. The gathering of information on fish and wildlife is authorized by:
(Authorizing statutes can be found at: <http://www.gpoaccess.gov/cfr/index.html> and <http://www.fws.gov/permits/ltr/ltr.shtml>.)
 - a. Bald and Golden Eagle Protection Act (16 U.S.C. 668), 50 CFR 22;
 - b. Endangered Species Act of 1973 (16 U.S.C. 1531-1544), 50CFR 17;
 - c. Migratory Bird Treaty Act (16 U.S.C. 703-712), 50 CFR 21;
 - d. Marine Mammal Protection Act of 1972 (16 U.S.C. 1361, *et. seq.*), 50 CFR 18;
 - e. Wild Bird Conservation Act (16 U.S.C. 4901-4916), 50 CFR 15;
 - f. Lacey Act: Injurious Wildlife (18 U.S.C. 42), 50 CFR 16;
 - g. Convention on International Trade in Endangered Species of Wild Fauna and Flora (TIAS 8249), <http://www.cites.org/>, 50 CFR 23;
 - h. General Provisions, 50 CFR 10;
 - i. General Permit Procedures, 50 CFR 13; and
 - j. Wildlife Provisions (Import/export/transport), 50 CFR 14.
2. Information requested in this form is purely voluntary. However, submission of requested information is required in order to process applications for permits authorized under the above laws. Failure to provide all requested information may be sufficient cause for the U.S. Fish and Wildlife Service to deny the request. Response is not required unless a currently valid Office of Management and Budget (OMB) control number is displayed on form.
3. Certain applications for permits authorized under the Endangered Species Act of 1973 (16 U.S.C. 1539) and the Marine Mammal Protection Act of 1972 (16 U.S.C. 1374) will be published in the **Federal Register** as required by the two laws.
4. Disclosures outside the Department of the Interior may be made without the consent of an individual under the routine uses listed below, if the disclosure is compatible with the purposes for which the record was collected. (Ref. 68 FR 52611, September 4, 2003)
 - a. Routine disclosure to subject matter experts, and Federal, tribal, State, local, and foreign agencies, for the purpose of obtaining advice relevant to making a decision on an application for a permit or when necessary to accomplish a FWS function related to this system of records.
 - b. Routine disclosure to the public as a result of publishing **Federal Register** notices announcing the receipt of permit applications for public comment or notice of the decision on a permit application.
 - c. Routine disclosure to Federal, tribal, State, local, or foreign wildlife and plant agencies for the exchange of information on permits granted or denied to assure compliance with all applicable permitting requirements.
 - d. Routine disclosure to Captive-bred Wildlife registrants under the Endangered Species Act for the exchange of authorized species, and to share information on the captive breeding of these species.
 - e. Routine disclosure to Federal, tribal, State, and local authorities who need to know who is permitted to receive and rehabilitate sick, orphaned, and injured birds under the Migratory Bird Treaty Act and the Bald and Golden Eagle Protection Act; federally permitted rehabilitators; individuals seeking a permitted rehabilitator with whom to place a bird in need of care; and licensed veterinarians who receive, treat, or diagnose sick, orphaned, and injured birds.
 - f. Routine disclosure to the Department of Justice, or a court, adjudicative, or other administrative body or to a party in litigation before a court or adjudicative or administrative body, under certain circumstances.
 - g. Routine disclosure to the appropriate Federal, tribal, State, local, or foreign governmental agency responsible for investigating, prosecuting, enforcing, or implementing statutes, rules, or licenses, when we become aware of a violation or potential violation of such statutes, rules, or licenses, or when we need to monitor activities associated with a permit or regulated use.
 - h. Routine disclosure to a congressional office in response to an inquiry to the office by the individual to whom the record pertains.
 - i. Routine disclosure to the General Accounting Office or Congress when the information is required for the evaluation of the permit programs.
 - j. Routine disclosure to provide addresses obtained from the Internal Revenue Service to debt collection agencies for purposes of locating a debtor to collect or compromise a Federal claim against the debtor or to consumer reporting agencies to prepare a commercial credit report for use by the FWS.
5. For individuals, personal information such as home address and telephone number, financial data, and personal identifiers (social security number, birth date, etc.) will be removed prior to any release of the application.
6. The public reporting burden on the applicant for information collection varies depending on the activity for which a permit is requested. The relevant burden for an Approval, Amendment or Renewal of a Cooperative Breeding Program application is 3 hours. This burden estimate includes time for reviewing instructions, gathering and maintaining data and completing and reviewing the form. You may direct comments regarding the burden estimate or any other aspect of the form to the Service Information Clearance Officer, U.S. Fish and Wildlife Service, Mail Stop 222, Arlington Square, U.S. Department of the Interior, 1849 C Street, NW, Washington D.C. 20240.

Freedom of Information Act – Notice

For organizations, businesses, or individuals operating as a business (i.e., permittees not covered by the Privacy Act), we request that you identify any information that should be considered privileged and confidential business information to allow the Service to meet its responsibilities under FOIA. Confidential business information must be clearly marked "Business Confidential" at the top of the letter or page and each succeeding page and must be accompanied by a non-confidential summary of the confidential information. The non-confidential summary and remaining documents may be made available to the public under FOIA [43 CFR 2.13(c)(4), 43 CFR 2.15(d)(1)(i)].
