Dear JOHN Q & MARY Q SAMPLE:

I need your help with an important initiative I am undertaking to improve our service to America's taxpayers. I want to get feedback from taxpayers like you who have had correspondence with the IRS regarding their tax return or who have filed an amended return.

In a few days, you will receive a questionnaire asking your opinions about the process of resolving such issues with the IRS. Please direct it to the person who had the most contact with the IRS on this matter. The questionnaire should take less than 5 minutes to complete. Your answers will be combined with others to give us an evaluation on customer satisfaction with IRS service.

To keep all replies anonymous, we have asked an independent research company to administer the survey. The survey processing center employees will process the questionnaires and report only statistical totals to us.

I am committed to improving IRS service to every taxpayer. Please help me in this effort by completing and returning the questionnaire as soon as possible. If you do not receive a questionnaire, please contact our Survey Processing Center at 1-866-377-8208.

Sincerely yours,

Susan W. Carroll

Dear JOHN Q & MARY Q SAMPLE:

A few days ago you received a letter from Susan W. Carroll, Director, Accounts Management, asking for your help with an important research project.

We are administering a nationwide survey among people who have had contact with the Internal Revenue Service (IRS). We want to know your opinions about the process of corresponding with the IRS regarding your tax return or filing an amended return. Your responses are critical to the accuracy of this research.

We are sending questionnaires to a random sample of taxpayers who have had such issues. All responses are anonymous, and your participation is voluntary. We will group your responses with others, so that no individual reply can be traced back to an individual.

The questionnaire is quite brief and should take less than five minutes to complete. Please use the postage-paid reply envelope to return your completed questionnaire. If you have any questions or concerns, please feel free to call the Survey Helpline at 1-866-377-8208.

The IRS is committed to improving its performance and service to the American public. The first step in this process is to gather reliable information from those who have had contact with IRS services and employees. Your honest opinions will help bring about these changes.

Sincerely,

A handwritten signature in cursive script that reads "Peter Webb".
