Branch Number A-

Effective Date

A national bank must include a customer notice at least 90 days in advance of the proposed closing whenever it proposes to close a traditional brick-and-mortar branch or any similar banking facility, at which deposits are received, checks paid, or money lent. Main offices, remote service units, ATMs, loan production offices, night depositories, and temporary branches are not branches for purposes of 12 USC 1831r-1 and do not require the advance 90-day branch closing notice. A national bank that questions the applicability of those criteria to a particular branch closing should consult the appropriate OCC District Office.

If you are proposing to close a traditional brick-and-mortar branch or any similar banking facility, at which deposits are received, checks paid, or money lent, then indicate the date notice was mailed and upload a copy of the notice.

Date 90-day Customer Notice Mailed
