Account Request Role(s) REQUESTED Note: Researchers must submit a Sponsorship Letter with this account request. All roles will need to complete a Memorandum of Agreement to fully participate in PREDICT. Documents are provided here for your information. Do not take any action at this point, but complete the documents delivered in the email you will receive after you click Submit. PREDICT datasets are available to approved researchers who are conducting cyber security research that is in the interests of the United States. Due to PREDICT's inability to manage operations and audit and monitor compliance with PREDICT operational policies and procedures outside the United States, all research and work involving PREDICT datasets must be carried out at locations within the 50 United States.
