

Facility MVNRLM Diesel Fuel Report Instructions
OMB Control No. 2060-0308 Expires 1/31/2008

Designate & Track Entity Compliance Calculation Report
Report Form ID: DSE0700

Issue Date: 09/15/2006
Revised: 10/29/2007

The Entity Compliance Calculation Report is an optional annual report and if used should be submitted in addition to the DSF0700 report. Several compliance calculation items may be calculated on a corporate basis; if compliance is demonstrated on a facility-by-facility basis, this form is not required. This form may not be used to meet quarterly truck loading terminal reporting requirements.

Please do not leave any reporting fields in this report blank. When reporting, enter "NA" for fields that are not applicable unless otherwise specified.

Annual reports using this form must be submitted by August 31st.

Please check the Diesel Fuel Reporting Forms web site for updated instructions and report form templates: <http://epa.gov/otaq/regs/fuels/dieselfms.htm>

For information on submitting this report using EPA's Central Data Exchange (CDX) visit: <http://epa.gov/otaq/regs/fuels/cdxinfo.htm>

Paperwork Reduction Act Statement

The public reporting and recordkeeping burden for this collection of information is disclosed in the estimates of the individual report form instructions. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements; train personnel to be able to respond to a collection of information; search data sources; complete and review the collection of information; and transmit or otherwise disclose the information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Send comments on the Agency's need for this information, the accuracy of the provided burden estimates, and any suggested methods for minimizing respondent burden, including through the use of automated collection techniques to the Director, Collection Strategies Division, U.S. Environmental Protection Agency (2822), 1200 Pennsylvania Ave., NW, Washington, D.C. 20460. Include the OMB control number in any correspondence. Do not send the completed form to this address.
