Follow instructions fully or we cannot process your form. If you have any questions, contact the office that gave you the form.

### Purpose of this Form

The United States Government conducts background investigations and reinvestigations to establish that applicants or incumbents either employed by the Government or working for the Government under contract are suitable for the job and/or eligible for a public trust position.

Giving us this information is voluntary. However, we may not be able to complete your investigation, or complete it in a timely manner, if you don't give us each item of information we request. This may affect your placement or employment prospects. Any information that you provide is evaluated regarding its recency, seriousness, relevance to the position and duties, and in light of – and in relationship to – all other information about you.

Withholding, misrepresenting, or falsifying information will have an impact on your employment prospects, or job status, up to and including removal and debarment from Federal Service.

### Authority to Request this Information

Depending upon the purpose of your investigation, the United States Government is authorized to ask for this information under Executive Order 10450; sections 3301, 3302, and 9101 of title 5, United States Code; and parts 2, 5, 731, and 736 of title 5, Code of Federal Regulations.

Your Social Security Number (SSN) is needed to keep records accurate because other people may have the same name and birth date. Disclosure of your SSN will be used to help identify you in agency records. Although disclosure of your SSN is not mandatory, failure to disclose your SSN may prevent or delay the processing of your background investigation. We may verify your SSN with the Social Security Administration. The authority for soliciting and verifying your SSN is Executive Order 9397.

### The Investigative Process

Background investigations for public trust positions are conducted to develop information to show whether you are reliable, trustworthy, of good conduct and character, and loyal to the United States. The information that you provide on this form may be confirmed during the investigation. The investigation may extend beyond the time covered by this form when necessary to resolve issues. Your current employer may be contacted as part of the investigation, even if you have previously indicated on applications or other forms that you do not want your current employer to be contacted.

### **Your Personal Interview**

Some investigations will include an interview with you as a routine part of the investigative process. The investigator may ask you to further explain your answers to any question on this form. This provides you the opportunity to update, clarify, and explain information on your form more completely, which often helps to complete your investigation faster. It is important that the interview be conducted as soon as possible after you are contacted. Postponements will delay the processing of your investigation and declining to be interviewed may result in your investigation being delayed or canceled.

For the interview, you will be asked to bring identification with your picture on it, such as a valid state driver's license. There are other documents you may be asked to bring to verify your identity. These may include documentation of any legal name change, Social Security card, passport, and/or your birth certificate.

You may also be asked to bring documents about information you provided on the form or other matters requiring specific attention. These matters include alien registration or naturalization documentation; delinquent loans or taxes, bankruptcy, judgments, liens, or other financial obligations; agreements involving child custody or support, alimony, or property settlements; arrests, convictions, probation, and/or parole; or other matters described in court records.

### Instructions for Completing this Form

- Follow the instructions given to you by the office that gave you this form and any other clarifying instructions furnished by that office to assist you in completion of this form. Determine how many copies of the form you should submit. You must sign and date, in black ink, the original and each copy you submit. You should retain a copy of the completed form for your records.
- Type or legibly print your answers in black ink (if this form is not legible, it will not be accepted). You may also be asked to submit your form using Electronic Questionnaires for Investigations Processing (e-QIP), the Office of Personnel Management's (OPM) web-based system application that houses electronic versions of this form.
- 3. All questions on this form must be answered. If no response is necessary or applicable, indicate this on the form with "N/A".
- 4. Any changes that you make to this form after you sign it must be initialed and dated by you. Under certain limited circumstances, agencies may modify your response(s) consistent with your intent.
- You must use the State codes (abbreviations) listed on the back of this page when you fill out this form. Do not abbreviate the names of cities or foreign countries.
- 6. Whenever "City (Country)" is shown in an address block, provide in that block the name of the country when the address is outside the United States.
- The 5-digit postal ZIP codes are needed to speed the processing of your investigation. The office that provided this form will assist you in completing the ZIP codes.
- 8. For telephone numbers in the United States, be sure to include the area code.
- All dates provided on this form must be in Month/Day/Year or Month/Year format. Use numbers (1-12) to indicate months. For example, October 27, 2002, should be written as 10/27/2002. If you find that you cannot report an exact date, approximate or estimate the date to the best of your ability and indicate this by writing "APPROX." or "EST."
- 10. If you need additional space to list your residences, employment/selfemployment/unemployment, or education, you should use a continuation sheet, SF 86A. If additional space is needed to answer other items, use a blank piece of paper. Each blank piece of paper you use must contain your name and SSN at the top of the page.

### **Final Determination on Your Eligibility**

Final determination on your eligibility for a public trust position is the responsibility of the Federal agency that requested your investigation. You may be provided the opportunity personally to explain, refute, or clarify any information before a final decision is made.

### Penalties for Inaccurate or False Statements

The United States Criminal Code (title 18, section 1001) provides that knowingly falsifying or concealing a material fact is a felony which may result in fines and/or up to 5 years of imprisonment. In addition, Federal agencies generally fire or disqualify individuals who have materially and deliberately falsified these forms, and this remains a part of the permanent record for future placements. Your trustworthiness is a very important consideration in deciding your eligibility. Your prospects of placement are better if you answer all questions truthfully and completely. You will have adequate opportunity to explain any information you give us on the form and to make your comments part of the record.

### **Disclosure of Information**

The information you give us is for the purpose of determining your suitability for Federal employment; we will protect it from unauthorized disclosure. The collection, maintenance, and disclosure of background investigative information is governed by the Privacy Act. The agency that requested the investigation and the agency that conducted the investigation have published notices in the Federal Register describing the systems of records in which your records will be maintained. The information on this form, and information collected during an investigation, may be disclosed without your consent by an agency maintaining the information in a system of records as permitted by the Privacy Act [5 U.S.C. 552a(b)], and by routine uses published by the agency in the Federal Register. The office that gave you this form will provide you a copy of its routine uses, if they are different than those listed on this form.

# **PRIVACY ACT ROUTINE USES**

OPM has published routine uses for disclosing background information in OPM's systems of investigative records. OPM conducts the majority of background investigations and serves as the lead agency for the SF 85P. OPM's routine uses follow:

- To designated officers and employees of agencies, offices, and other establishments in the executive, legislative, and judicial branches of the Federal Government, having a need to evaluate qualifications, suitability, and loyalty to the United States Government and/or a security clearance access or determination.
- To designated officers and employees of agencies, offices, and other establishments in the
  executive, legislative, and judicial branches of the Federal Government, when such agency, office,
  or establishment conducts an investigation of the individual for purposes of granting a security
  clearance, or for the purpose of making a determination of qualifications, suitability, or loyalty to the
  United States Government, or access to classified information or restricted areas.
- To designated officers and employees of agencies, offices, and other establishments in the
  executive, judicial, or legislative branches of the Federal Government, having the responsibility to
  grant clearances to make a determination regarding access to classified information or restricted
  areas, or to evaluate qualifications, suitability, or loyalty to the United States Government, in
  connection with performance of a service to the Federal Government under a contract or other
  agreement.
- To the intelligence agencies of the Department of Defense, the National Security Agency, the Central Intelligence Agency, and the Federal Bureau of Investigation for use in intelligence activities.
- To any source from which information is requested in the course of an investigation, to the extent
  necessary to identify the individual, inform the source of the nature and purpose of the
  investigation, and to identify the type of information requested.
- To the appropriate Federal, State, local, tribal, foreign, or other public authority responsible for investigating, prosecuting, enforcing, or implementing a statute, rule, regulation, or order where OPM becomes aware of an indication of a violation or potential violation of civil or criminal law or regulation.
- To an agency, office, or other establishment in the executive, legislative, or judicial branches of the Federal Government, in response to its request, in connection with the hiring or retention of an employee, the issuance of a security clearance, the conducting of a security or suitability investigation of an individual, the classifying of jobs, the letting of a contract, or the issuance of a license, grant, or other benefit by the requesting agency, to the extent that the information is relevant and necessary to the requesting agency's decision on the matter.
- To provide information to a congressional office from the record of an individual in response to an inquiry from the congressional office made at the request of that individual. However, the investigative file, or parts thereof, will only be released to a congressional office if OPM receives a notarized authorization or signed statement under 28 U.S.C. 1746 from the subject of the investigation.
- To the Office of Management and Budget (OMB) at any stage in the legislative coordination and clearance process in connection with private relief legislation as set forth in OMB Circular No. A-19.
- To disclose information to contractors, grantees, experts, consultants, or volunteers performing or working on a contract, service, or job for the Federal Government.

- For Judicial/Administrative Proceedings--To disclose information to another Federal agency, to a court, or a party in litigation before a court or in an administrative proceeding being conducted by a Federal agency, when the Government is a party to the judicial or administrative proceeding. In those cases where the Government is not a party to the proceeding, records may be disclosed if a subpoena has been signed by a judge.
- For National Archives and Records Administration--To disclose information to the National Archives and Records Administration for use in records management inspections.
- Within OPM for Statistical/Analytical Studies--By OPM in the production of summary descriptive statistics and analytical studies in support of the function for which the records are collected and maintained, or for related workforce studies. While published studies do not contain individual identifiers, in some instances the selection of elements of data included in the study may be structured in such a way as to make the data individually identifiable by inference.
- For Litigation--To disclose information to the Department of Justice, or in a proceeding before a court, adjudicative body, or other administrative body before which OPM is authorized to appear, when
  - (1) OPM, or any component thereof; or
  - (2) Any employee of OPM in his or her official capacity; or
  - (3) Any employee of OPM in his or her individual capacity where the Department of Justice or OPM has agreed to represent the employee; or
  - (4) The United States, when OPM determines that litigation is likely to affect OPM or any of its components; is a party to litigation or has an interest in such litigation, and the use of such records by the Department of Justice or OPM is deemed by OPM to be relevant and necessary to the litigation provided, however, that the disclosure is compatible with the purpose for which records were collected.
- For the Merit Systems Protection Board--To disclose information to officials of the Merit Systems Protection Board or the Office of the Special Counsel, when requested in connection with appeals, special studies of the civil service and other merit systems, review of OPM rules and regulations, investigations of alleged or possible prohibited personnel practices, and such other functions, e.g., as promulgated in 5 U.S.C. 1205 and 1206, or as may be authorized by law.
- For the Equal Employment Opportunity Commission--To disclose information to the Equal Employment Opportunity Commission when requested in connection with investigations into alleged or possible discrimination practices in the Federal sector, compliance by Federal agencies with the Uniform Guidelines on Employee Selection Procedures or other functions vested in the Commission and to otherwise ensure compliance with the provisions of 5 U.S.C. 7201.
- For the Federal Labor Relations Authority--To disclose information to the Federal Labor Relations Authority or its General Counsel when requested in connection with investigations of allegations of unfair labor practices or matters before the Federal Service Impasses Panel.

## 11 WHERE YOU HAVE LIVED

List the places where you have lived, beginning with your present residence (#1) and working back 7 years. All periods must be accounted for without breaks. Indicate the actual physical location of your residence. Do not use a Post Office Box as an address, and do not list a permanent address when you were actually living at a school address, etc. Be sure to specify your location as closely as possible: for example, do not list only your base or ship, list your barracks number or home port. You may omit temporary military duty locations under 90 days (list your permanent address instead). Your actual physical address in addition to your APO/FPO address is required for overseas assignments.

For any address in the last 5 years, list a person who knew you at that address, and who preferably still lives in that area. Do not list people for residences completely outside this 5-year period, and do not list your spouse, former spouse, or other relatives. Also for addresses in the last 5 years, if the address is "General Delivery," a Rural or State Route, or may be difficult to locate, provide directions for locating the residence on an attached continuation sheet (SF 86A). Do not list residences before your 18th birthday unless to provide a minimum of 2 years of residence history.
