

Veterans will meet February 19–21, 2008 at 1575 I Street, NW., Washington, DC, from 8:30 a.m.–4:30 p.m., each day. The meeting is open to the public.

The purpose of the Committee is to advise the Secretary of Veterans Affairs regarding the needs of women veterans with respect to health care, rehabilitation, compensation, outreach, and other programs and activities administered by VA designed to meet such needs. The Committee will make recommendations to the Secretary regarding such programs and activities.

On February 19, the agenda will include overviews of the Veterans Health Administration, the Veterans Benefits Administration, the National Cemetery Administration, an update on the 2006 Advisory Committee on Women Veterans report, an update on the activities conducted by the Center for Women Veterans, research, homeless veteran initiatives, and an overview of the Federal Recovery Center. On February 20, the agenda will include discussion of standardized training for health care affiliates and post graduates, discussion of improving outreach to women veterans, and an update on National Center for PTSD Expert Workgroup research—“Best Practice Manual for PTSD Compensation and Pension Examination”. On February 21, the agenda will focus on preparation of the 2008 Advisory Committee on Women Veterans report. The agenda will also include any new issues that the Committee members may introduce.

Any member of the public wishing to attend should contact Ms. Shannon L. Middleton, at the Department of Veterans Affairs, Center for Women Veterans (OOW), 810 Vermont Avenue, NW., Washington, DC 20420. Ms. Middleton may be contacted either by phone at (202) 461-6193, fax at (202) 273-7092, or e-mail at OOW@mail.va.gov. Interested persons may attend, appear before, or file statements with the Committee. Written statements must be filed before the meeting, or within 10 days after the meeting.

Dated: January 11, 2008.

By direction of the Secretary.

E. Philip Riggan

Committee Management Officer.

BILLING CODE 8320-01-M

**OFFICE OF PERSONNEL
MANAGEMENT**

**Submission for OMB Emergency
Clearance and 60 Day Notice for
Comment for a New Information
Collection Request; Retirement
Systems Modernization Defined
Benefits Technology Solution (DBTS)
OMB No. 3206-XXXX**

AGENCY: Office of Personnel Management (OPM).

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (Pub. L. 104-13, May 22, 1995), this notice announces that the Office of Personnel Management (OPM) submitted a request to the Office of Management and Budget (OMB) for emergency clearance and review for emergency clearance collection for the Defined Benefits Technology Solution (DBTS) in support of the Retirement Systems Modernization (RSM) project at OPM. Approval of the DBTS is necessary to ensure timely administration of retirement benefits to both active and retired federal employees and their dependents. This also serves as the 60 Day Notice for full clearance review.

Approximately 23,000 active federal employees will gain access to the DBTS starting in February 2008 and will have access to the tool; The subset of annuitants and other members of the public from this initial user group that will be using the tool starting in February can not be determined at the time of this submission however the audience will likely be significantly smaller than the active population. We estimate it will take approximately 20 minutes to complete most of the information collections associated with the DBTS. The majority of information collections for the DBTS are done via the internet using the Your Benefits Resources (YBR) Web site. The annual estimated burden is 2,733 hours.

Comments are particularly invited on:

- Whether this information is necessary for the proper performance of functions on the Office of Personnel Management, and whether it will have practical utility;

- Whether our estimate of the public burden of this collection of information is accurate, and based on valid assumptions and methodology; and

- Ways in which we can minimize the burden of the collection of information on those who are to respond, through the use of appropriate technological collection techniques or other forms of information technology.

For copies of this proposal, contact Mary Beth Smith-Toomey, OPM PRA

and Forms Officer, at (202) 606-8358, Fax (202) 418-3251 or via e-mail to MaryBeth.Smith-Toomey@opm.gov. Please include your complete mailing address with your request.

DATES: Comments on this proposal for emergency review should be received within 15 calendar days from the date of this publication. We are requesting OMB to take action within 10 calendar days from the close of this **Federal Register** Notice on the request for emergency review. Comments on this proposal for 60 Day review should be received within 60 calendar days from the date of this publication.

ADDRESSES: Send or deliver comments to:

Thomas O'Keefe, Retirement Systems Modernization, U.S. Office of Personnel Management, 1900 E Street, NW., Room 4H30, Washington, DC 20415; and

Brenda Aguilar, OPM Desk Officer, Office of Management and Budget, Office of Information and Regulatory Affairs, New Executive Office Building, NW., Room 10235, Washington, DC 20503.

U.S. Office of Personnel Management,
Howard Weizmann,

Deputy Director.

RAILROAD RETIREMENT BOARD

**Agency Forms Submitted for OMB
Review, Request for Comments**

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the Railroad Retirement Board (RRB) is forwarding an Information Collection Request (ICR) to the Office of Information and Regulatory Affairs (OIRA), Office of Management and Budget (OMB) to request a revision to a currently approved collection of information: 3220-0127, Financial Disclosure Statement. Our ICR describes the information we seek to collect from the public. Review and approval by OIRA ensures that we impose appropriate paperwork burdens.

The RRB invites comments on the proposed collection of information to determine (1) the practical utility of the collection; (2) the accuracy of the estimated burden of the collection; (3) ways to enhance the quality, utility and clarity of the information that is the subject of collection; and (4) ways to minimize the burden of collections on respondents, including the use of automated collection techniques or
