ANNUAL CATCHER VESSEL EDR

Introduction

This report collects information on Bering Sea and Aleutian Islands Management Area (BSAI) crab operations, including Western Alaska Community Development Quota Program (CDQ) crab fisheries. These fisheries are referred to as crab rationalization fisheries (CR fisheries). Pursuant to the legislation, the data and identifiers will also be used for program enforcement and determination of qualification for quota shares. Consequently, identifiers and data will be disclosed to NOAA Enforcement, NOAA General Counsel, the Antitrust Division of the Department of Justice, the Federal Trade Commission, and NOAA Restricted Access Management Program.

You have received this form because our records show that you are either the owner of a catcher vessel that participated in the BSAI crab fisheries in the past or were leased a catcher vessel that participated in the BSAI crab fisheries in the past. **You are required to submit the Certification Pages (pages 3 and 4) and any additional information requested in the Economic Data Report (EDR). Failure to submit an EDR form when required will result in delay in and/or denial of any and all crab permit applications.**

To make sure that each company is consistently and accurately completing the EDR, random audits will be performed by a qualified accountant on some of the EDRs for a subset of the crab fishery participants. This step will ensure that the data can be relied upon to produce accurate and reliable information for the Alaska crab fisheries.

Auditors will verify records by comparing specific elements of the report with your accounting records. To make this activity as efficient and non-intrusive as possible, we suggest that you:

1. Keep a copy of the completed EDR or certification pages you submit to the Data Collection Agent (DCA). Copy and attach extra sheets as needed.
2. Keep a file that has all of the supporting information used in the preparation of the EDR.
3. Make sure that the EDR agrees to the company's highest level of financial information. For this purpose, the highest level of financial information is defined in order as:
 - a. Audited financial statements
 - b. Reviewed financial statements
 - c. Compiled financial statements
 - d. Tax returns.

Record only whole numbers. Round up dollar figures to the next highest dollar.

If YOUR label address is incorrect or missing, please correct the error on the label or print your permanent name and address here.

NOTE:

Any owner or leaseholder of a catcher vessel during any period in the calendar year identified on the EDR in which the catcher vessel was used to harvest crab in a Crab Rationalization (CR) fishery must submit to the DCA, at the address provided on the form, an EDR for a catcher vessel.

Definition of "Leaseholder": For the purpose of defining the persons responsible for submitting the EDR, a Leaseholder is a person, other than the owner of the catcher vessel for which the EDR is required, who: was identified as the leaseholder, in a written lease, of the catcher vessel, **OR** paid expenses of the catcher vessel, **OR** claimed expenses for the catcher vessel as a business expense on schedule C of his/her Federal Income Tax Return, or on a State Income Tax Return.

3. BSAI Crab Quota

3.1 Catcher Vessel Owner Annual IFQ Allocation

Record information only for the annual allocation of IFQ to the vessel owner or leaseholder submitting this EDR. Information on harvest quota leased from other quota holders will be collected in Table 3.2. Record the data for each CR fishery in which this vessel participated. Leave the cells blank for any fisheries in which the catcher/processor did not participate or for any quota type that the owner does not hold.

Owner Quota Harvested by this Catcher Vessel

Report all IFQ and IPQ held by the vessel owner or leaseholder and harvested by this vessel. If some or all of the owners' IFQ was assigned to a harvest cooperative, report the amount of the owners' assigned quota that was harvested on the vessel.

CPO – IFQ Harvested: record the amount of this catcher vessel owner's (or leaseholder's) allocation of Catcher/Processor Owner (CPO) IFQ pounds harvested in the listed fishery.

IFQ A Harvested: record the amount of this catcher vessel owner's (or leaseholder's) allocation of IFQ A-class pounds harvested in the listed fishery.

IFQ B Harvested: record the amount of this catcher vessel owner's (or leaseholder's) allocation of IFQ B-class pounds harvested in the listed fishery.

Owner Quota Transferred to Other Vessels

Report pounds and lease revenue for all IFQ held by the vessel owner/leaseholder that was transferred to other entities (either through formal lease, coop assignment, or other agreement). If some or all of the IFQ was assigned to a harvest cooperative, report the pounds of the assigned quota that was harvested by other cooperative members and report the quota royalties received from the coop.

If you had an arrangement under which you transferred your IFQ to another owner to harvest and paid them a percentage (for example, 30%) of the revenues from the harvested quota, record the total pounds transferred and the total dollar amount of the revenue share (for example, 70%) you received, for each class of quota (CDQ, CPO-IFQ, IFQ-A, IFQ-B, IFQ- C).

NOTE: If you (the vessel owner/leaseholder) are submitting EDRs for more than one vessel, select one EDR to report all quota leased to other entities. Do not report quota used on your other vessel(s) unless royalties were exchanged, and do not report the same quota transfers on more than one EDR.

CPO – IFQ Transferred

Pounds: Record the number of pounds of this vessel owner's (or leaseholder's) allocation of CPO-IFQ transferred to other vessels in the listed fishery.

Revenue: Record total payment received from other vessels for use of the transferred CPO-IFQ pounds in the listed fishery

Identify the location where you purchased the fuel using the location codes listed below. Record the total quantity (in gallons) of fuel and the purchase cost including fuel taxes. Indicate in the check box if fuel purchase cost includes lubrication and fluids. Record fuel purchases in each fishery for the entire period in which you were fishing in, traveling to and from, and offloading during each CR fishery. Record fuel cost for transiting to and from your home port before and after the crab fishery in Table 5.2d.

g. Food and Provisions for Crew: the total cost of these items consumed and used by the crew. Do not include any items that were paid for by crewmembers, either directly or withheld from their earnings.

h. Other Crew Costs: list additional expenses for crew and the associated costs (for example, transportation costs, medical costs, payroll taxes, unemployment insurance, etc.). Do not include any items that were paid for by crewmembers, either directly or withheld from their earnings.

i. Freight Costs for Landed Crab: total expenses for shipping crab caught aboard this vessel for sale or processing elsewhere.

j. Storage, Wharfage, and Delivery: the total storage, wharfage and delivery costs for pots and other equipment used aboard this vessel in the crab fisheries.

k. Observer Costs: record the sum of all observer fees paid in each CR fishery for the year.

l. Crab Landing Taxes and Fees: record the sum of all state and local fish taxes (e.g., Alaska fisheries business tax, local landing tax, cost recovery and buyback tax, arbitration assessment,

and others) you paid for landing BSAI crab. These taxes and fees were included in the Gross Revenue recorded in Section 2.

m. Fishing Cooperative Costs: record the total cost to you for this vessel's participation in a BSAI crab fishing cooperative, including intercooperative exchange fees. Exclude any monies paid to purchase or lease crab ITQ. List only the costs associated with membership or operating costs of the cooperative.

n. Other Crab-specific Costs: list additional expenses incurred for BSAI Crab fishing and the associated costs (for example, association/marketing fees, vessel communication costs, vessel leasing costs, pot truck fee, accounting fees, vessel moorage during the crab fishery, overage fines, etc.).

5.0 Vessel Costs**5.2 Annual Vessel Costs**

In Table 5.2, please record all of the following costs that were incurred for your vessel during the 2006 calendar year. Indicate if these costs were incurred for the BSAI crab fishery only by checking "Yes" under "Crab-only Cost". Otherwise, check "No" and these costs will be averaged out over *all* your crab and non-crab activities during the year.

a. Investments in Vessel and Equipment: record the total cost of improvements or investments in vessel, gear and equipment for the year. This includes the costs of all assets that were financed or purchased using Capital Construction Fund monies during 2006 and will be depreciated for tax purposes. Do not include standard repairs and purchases that were paid for completely from 2006 income (record these in item 7.2b), and exclude investments made solely for non-crab fisheries. Identify the location of the seller you purchased the improvements from using the location codes listed below.

b. Repair and Maintenance for Vessel and Equipment: record the repair and maintenance expenses for maintaining this vessel and repairing mechanical and physical problems with the vessel or equipment (exclude investment expenditures included in item 7.2a). Exclude expenses or repairs that result solely from non-crab fisheries. Include salaries of employees whose job is to perform R&M only if their wages are *not* already included in Section 4.1. Identify the location of the seller you purchased the R&M goods and services from using the location codes listed below.

c. Insurance Premiums (Hull, Property and Indemnity, and Pollution): record the total costs of your annual insurance premiums for this vessel.

d. Fuel, Lubrication, and Fluids: record fuel purchases that were not incurred for fishing or processing during the BSAI crab season (for example, for transiting to and from home port to reach the Bering Sea before and after the crab fishing season). Identify the locations where you purchased the fuel using the location codes listed below. Record the total quantity (**in gallons**) of fuel; and the purchase cost including fuel taxes. Indicate in the check box if fuel purchase cost includes lubrication and fluids.

e. Other Vessel-specific Costs: record any other significant cost(s) that were incurred in order to fish for crab in calendar year 2006 that were not included in the categories above, and not reported in the crab season-specific table (Section 5.1). Please describe the nature of the expense(s) and do not list costs of permits or licenses.
