FORM WIZARD

Declaration of Use of Mark in Commerce Under Section 8

TEAS

Version 2.11 : 11/02/2003

You must file a Section 8 declaration, specimen, and fee on a date that falls on or between the fifth (5th) and sixth (6th) anniversaries of the registration (or, for an extra fee of \$100.00 per class, you may file within the six-month grace period following the sixth (6th) anniversary date). You must subsequently file a Section 8 declaration, specimen, and fee on a date that falls on or between the ninth (9th) and tenth (10th) anniversaries of the registration, and each successive ten-year period thereafter (or, for an extra fee of \$100.00 per class, you may file within the six-month grace period). FAILURE TO FILE A SECTION 8 DECLARATION WILL RESULT IN CANCELLATION OF THE REGISTRATION. Note: Because the time for filing a ten-year Section 8 declaration coincides with the time for filing a Section 9 renewal request, a combined §§ 8 & 9 form exists.

NOTE: This form has a session time limit of 60 minutes. A session begins once you create and enter the form via the Form Wizard. If you exceed the 60 minute time limit, the form will not validate and you must begin the entire process again. Therefore, you should have all information required to complete the form available prior to starting your session.

Declaration

The owner is using or is using through a related company or licensee the mark in commerce on or in connection with the goods/services identified above, as evidenced by the attached specimen(s) showing the mark as used in commerce.

The undersigned being hereby warned that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. §1001, and that such willful false statements and the like may jeopardize the validity of this document, declares that he/she is properly authorized to execute this document on behalf of the Owner; and all statements made of his/her own knowledge are true and that all statements made on information and belief are believed to be true.

Electronic Signature

The form will not be "signed" in the sense of a traditional paper document. To verify the contents of the application, the signatory must enter any alpha/numeric character(s) or combination thereof of his or her choosing, preceded and followed by the forward slash (/) symbol. The USPTO does not determine or pre-approve what the entry should be, but simply presumes that this specific entry has been adopted to serve the function of the signature. Most signatories simply enter their names between the two forward slashes, although acceptable "signatures" could include /john doe/; /jd/; or /123-4567/.

The "Validate Form" function allows you to run an automated check to ensure that all mandatory fields have been completed. You will receive an "error" message if you have not filled in one of the five (5) fields that are considered "minimum filing requirements" under the Trademark Law Treaty Implementation Act of 1998. For other fields that the USPTO believes are important, but not mandatory, you will receive a "warning" message if the field is left blank. This warning is a courtesy, if non-completion was merely an oversight. If you so choose, you may by-pass that "warning" message and validate the form (however, you cannot by-pass an "error" message).

Note: To either print the completed application, in whole or in part, download and save the validated application, or electronically submit the application to the USPTO, click on the Validate Form button.
