taking another survey of long term residential homes and their residents

i believe this is a waste of money. providing safe healthful care and cures should be what this agency does. these are highly paid researchers and for them to hide behind taking surveys all day every day for years is not doing the job they SHOULD BE DOING.

ACCUMULATING PAPER TO WASTE IN A FILE DRAWER IS NO ADVANCEMENT FOR THE AMERICAN PEOPLE. GET RESEARCHERS BACK TO RESEARCH. MAKE THIS A PRIMARY GOAL FOR THIS AGENCY. FIND A CURE OR PREVENT AUTISM, ONE OUT OF 66 CHILDREN BORN IN NJ IS AUTISTIC. WE NEED TO SOLVE THIS SO OUR NATION IS STRONG IN THE FUTURE. CDC IS SITTING ON ITS BUTT. AND WASTING OUR TAX DOLLARS.
