

**Addendum to the Supporting Statement for the
Epidemiological Research Request**

20 CFR 401.165

OMB # 0960-0701

Revisions to the Collection Instrument:

- The following changes were made on the announcement page:
 - The contact number at the top of the page was changed from 410-965-5541 to 410-966-4868
 - Question 8 was changed from “Estimated number of records you will submit.” to “Estimated number of records you will submit. To protect data from theft or modification, SSA recommends that requestors encrypt all input files prior to submission. Submitting unencrypted data to SSA is not recommended and is done at the requestor’s own risk.”
