Item A. We renumbered check box 2 as check box 3 and changed the text from "Schedule M-3 required (attach Sch. M-3)" to "Schedule M-3 (Form 1120-PC) attached." This was done to remove the word "required" as the Schedule M-3 (Form 1120-PC) can be voluntarily filed and to specifically reference the Schedule M-3 (Form 1120-PC).

Item A. We added a new check box 2 to indicate whether the return is a life-nonlife mixed group with a life insurance company income tax return attached to comply with Reg. Sec. 1.1502-47T(s), which was issued in 2006 to remove an efile impediment.

Line 8b. We deleted language providing for the qualified electric vehicle credit and inserted "Credits from Forms 5735 and 8834."

Line 8c. We added check boxes for Forms 8846 and 5884 as these forms will be removed from Form 3800 to account for the waiver of AMT on the related credits. (Sec. 8214 of P.L. 110-28).

Line 14i. We deleted line 14i concerning the credit for the federal telephone excise tax as required by Notice 2007-11, 2007-5 I.R.B. 405 and renumbered the remaining lines under Line 14.
