

Outline of changes to NA 6006, Identification Card Request, in January 2008:

Overall the item numbers had to be changed after item 5 because some new item numbers were added.

For item 1a., added " Defaced  Lost  Expired"

For item 3, add " No"

Heading for item 4 changed from "Information" to "Affiliation" and added "**(check all that apply):**"  
Also on item 4, added " Foreign National"

For item 5, deleted extra line between headings and information.

Added new item after item 5, "6. Agency: Firm: 24 Hour Access?  Yes  No"

Added new items after old item 12, "15. Parking Permit:  Yes  No

16. Brass Keys to Room #'s "

On top of page 2, moved "that" from after each check box to the heading "***I, the Identity Processor, certify that:***"

Added, after ID Processor signature and Date:,

"**I, \_\_\_\_\_ acknowledge receipt of a temporary building pass, pending completion of a background investigation.**

**24. \_\_\_\_\_ 25. Date: [mm/dd/yyyy]  
Candidate signature"**

For Section C, the new item numbered 26, deleted checkboxes " NAC  FBI Fingerprint Results" and added checkbox " Other"

Also on Section C, added:

"29. Clearances/Access:

General  SEC  SEC/L  TS  Q  SCI  SI  TK  G  HCS  NATO"

For Section D, added:

36. Parking Permit #:

Since adding additional lines forced the **Privacy Act Statement** and **Paperwork Reduction Act Public Burden Statement** to the back of the form, added to the bottom of page 2:

"See the back of this form for the **Privacy Act Statement** and **Paperwork Reduction Act Public Burden Statement** that applies to the information you are providing."
