CALCULATION OF REGISTRATION FEE

Title of each class of securities to be registered	Amount to be registered	Proposed maximum aggregate price per unit	Proposed maximum aggregate offering price	Amount of registration fee
--	-------------------------	---	---	----------------------------

Notes to the “Calculation of Registration Fee” Table (“Fee Table”):

1. Specific details relating to the fee calculation shall be furnished in notes to the Fee Table, including references to provisions of Rule 457 (§230.457 of this chapter) relied upon, if the basis of the calculation is not otherwise evident from the information presented in the Fee Table.
2. If the filing fee is calculated pursuant to Rule 457(o) under the Securities Act, only the title of the class of securities to be registered, the proposed maximum aggregate offering price for that class of securities, and the amount of registration fee need to appear in the Fee Table. Where two or more classes of securities are being registered pursuant to General Instruction II.C., however, the Fee Table need only specify the maximum aggregate offering price for all classes; the Fee Table need not specify by each class the proposed maximum aggregate offering price (see General Instruction II.C.).
3. If the filing fee is calculated pursuant to Rule 457(r) of this chapter) under the Securities Act, the Fee Table must state that it registers an unspecified amount of securities of each identified class of securities and must provide that the issuer is relying on Rule 456(b) and Rule 457(r). If the Fee Table is amended in a post-effective amendment to the registration statement or in a prospectus filed in accordance with Rule 456(b)(1)(ii) (§230.456(b)(1)(ii) of this chapter), the Fee Table must specify the aggregate offering price for all classes of securities in the referenced offering or offerings and the applicable registration fee.
4. Any difference between the dollar amount of securities registered for such offerings and the dollar amount of securities sold may be carried forward on a future registration statement pursuant to Rule 457 under the Securities Act.

GENERAL INSTRUCTIONS

I Eligibility Requirements for Use of Form F-3

This instruction sets forth registrant requirements and transaction requirements for the use of Form F-3. Any foreign private issuer, as defined in Rule 405 (§230.405 of this chapter), which meets the requirements of I.A. below (the “Registrant Requirements”) may use this Form for the registration of securities under the Securities Act of 1933 (the “Securities Act”) which are offered in any transaction specified in I.B. below (the “Transaction Requirements”), provided that the requirements applicable to the specified Transaction are met. With respect to majority-owned subsidiaries, see Instruction I.A.5 below. With respect to well-known seasoned issuers and majority-owned subsidiaries of well-known seasoned issuers, see Instruction I.C. below.

In addition, this Form shall not be used for an offering of asset-backed securities, as defined in 17 CFR 229.1101.

A. Registrant Requirements

Except as set forth below, all registrants must meet the following conditions in order to use this Form F-3 for registration under the Securities Act of securities offered in the transactions specified in I.B. below:

1. The registrant has a class of securities registered pursuant to Section 12(b) of the Securities Exchange Act of 1934 (the “Exchange Act”) or has a class of equity securities registered pursuant to Section 12(g) of the Exchange Act or is required to file reports pursuant to Section 15(d) of the Exchange Act and has filed at least one annual report on Form 20-F, on Form 10-K, or, in the case of registrants described in General Instruction A(2) of Form 40-F, on Form 40-F under the Exchange Act.
2. The registrant: (a) has been subject to the requirements of Section 12 or 15(d) of the Exchange Act and has filed all the material required to be filed pursuant to Sections 13, 14 or 15(d) of the Exchange Act for a period of at least twelve calendar months immediately preceding the filing of the registration statement on this Form; and (b) has filed in a timely manner all reports required to be filed during the twelve calendar months and any portion of a month immediately preceding the filing of the

registration statement and, if the registrant has used (during those twelve calendar months and that portion of a month) Rule 12b-25(b) (§240.12b-25(b) of this chapter) under the Exchange Act with respect to a report or a portion of a report, that report or portion thereof has actually been filed within the time period prescribed by the Rule.

3. Neither the registrant nor any of its consolidated or unconsolidated subsidiaries have, since the end of their last fiscal year for which certified financial statements of the registrant and its consolidated subsidiaries were included in a report filed pursuant to Section 13(a) or 15(d) of the Exchange Act: (a) failed to pay any dividend or sinking fund installment on preferred stock; or (b) defaulted (i) on any installment or installments on indebtedness for borrowed money, or (ii) on any rental on one or more long term leases, which defaults in the aggregate are material to the financial position of the registrant and its consolidated and unconsolidated subsidiaries, taken as a whole.
4. If the registrant is a successor registrant, it shall be deemed to have met conditions 1, 2 and 3 above if: (a) its predecessor and it, taken together, do so, provided that the succession was primarily for the purpose of changing the state or other jurisdiction of incorporation of the predecessor or forming a holding company and that the assets and liabilities of the successor at the time of succession were substantially the same as those of the predecessor; or (b) all predecessors met the conditions at the time of succession and the registrant has continued to do so since the succession.
5. *Majority-owned Subsidiaries.* If a registrant is a majority-owned subsidiary, security offerings may be registered on this Form if:
 - (i) the registrant-subsiary itself meets the Registrant Requirements and the applicable Transaction Requirement;
 - (ii) the parent of the registrant-subsiary meets the Registrant Requirements and the conditions of Transaction Requirement B.2. (Offerings of Certain Debt or Preferred Securities) are met;
 - (iii) the parent of the registrant-subsiary meets the Registrant Requirements and the applicable Transaction Requirement, and provides a full and unconditional guarantee, as defined in Rule 3-10 of Regulation S-X (§210.3-10 of this chapter), of the payment obligations on the securities being registered, and the securities being registered are non-convertible securities, other than common equity;
 - (iv) the parent of the registrant-subsiary meets the Registrant Requirements and the applicable Transaction Requirement, and the securities of the registrant subsidiary being registered are full and unconditional guarantees, as defined in Rule 3-10 of Regulation S-X, of the payment obligations on the parent's non-convertible securities, other than common equity, being registered; or
 - (v) the parent of the registrant-subsiary meets the Registrant Requirements and the applicable Transaction Requirement, and the securities of the registrantsubsiary being registered are guarantees of the payment obligations on the nonconvertible securities, other than common equity, being registered by another majority owned subsidiary of the parent where the parent provides a full and unconditional guarantee, as defined in Rule 3-10 of Regulation S-X, of such non-convertible securities.

Note: In the situation described in paragraphs I.A.5(iii), I.A.5(iv), and I.A.5(v) above, the parent or majority-owned subsidiary guarantor is the issuer of a separate security consisting of the guarantee, which must be concurrently registered, but may be registered on the same registration statement as are the guaranteed non-convertible securities. Both the parent or majority-owned subsidiary shall each disclose the information required by this Form as if each were the only registrant except that if the majority-owned subsidiary will not be eligible to file annual reports on Form 20-F or Form 40-F after the effective date of the registration statement, then it shall disclose the information specified in Form S-3. Rule 3-10 of Regulation S-X specifies the financial statements required.

6. *Electronic filings.* In addition to satisfying the foregoing conditions, a registrant subject to the electronic filing requirements of Rule 101 of Regulation S-T (§§232.101 of this chapter) shall have filed with the Commission all required electronic filings, including confirming electronic copies of documents submitted in paper pursuant to a hardship exemption as provided by Rule 201 or Rule 202(d) of Regulation S-T (§232.201 or §232.202(d) of this chapter).

B. *Transaction Requirements*

Security offerings meeting any of the following conditions and made by registrants meeting the Registrant Requirements above may be registered on this Form:

1. *Primary Offerings by Certain Registrants.* Securities to be offered for cash by or on behalf of a registrant, *provided* that the aggregate market value worldwide of the voting and non-voting common equity held by non-affiliates of the registrant is the equivalent of \$75 million or more. In the case of securities registered pursuant to this paragraph, the financial statements included in this registration statement must comply with Item 18 of Form 20-F.

Instruction.

For the purposes of this Form, “common equity” is as defined in Securities Act Rule 405 (§230.405 of this chapter). The aggregate market value of the registrant’s outstanding voting and non-voting common equity shall be computed by use of the price at which the common equity was last sold, or the average of the bid and asked prices of such common equity, in the principal market for such common equity as of a date within 60 days prior to the date of filing. See the definition of “affiliate” in Securities Act Rule 405.

2. *Primary Offerings of Non-convertible Investment Grade Securities.* Non-convertible securities to be offered for cash if such securities are “investment grade securities.” A non-convertible security is an “investment grade security” if, at the time of sale, at least one nationally recognized statistical rating organization (as that term is used in Rule 15c3-1(c)(2)(vi)(F) under the Exchange Act (§240.15c3-1(c)(2)(vi)(F) of this chapter)) has rated the security in one of its generic rating categories that signifies investment grade; typically, the four highest rating categories (within which there may be subcategories or gradations indicating relative standing) signify investment grade. In the case of securities registered pursuant to this paragraph, the financial statements included in this registration statement may comply with Item 17 or 18 of Form 20-F.
3. *Transactions Involving Secondary Offerings.* Outstanding securities to be offered for the account of any person other than the issuer, including securities acquired by standby underwriters in connection with the call or redemption by the issuer of warrants or a class of convertible securities. In the case of such securities, the financial statements included in this registration statement may comply with Item 17 or 18 of Form 20-F. In addition, Form F-3 may be used by affiliates to register securities for resale pursuant to the conditions specified in General Instruction C to Form S-8 (§239.16b of this chapter). In the case of such securities, the financial statements included in this registration statement must comply with Item 18 of Form 20-F (§249.220f of this chapter).
4. *Rights Offerings, Dividend or Interest Reinvestment Plans, and Conversions or Warrants.* Securities to be offered: (a) upon the exercise of outstanding rights granted by the issuer of the securities to be offered, if such rights are granted pro rata to all existing securityholders of the class of securities to which the rights attach; or (b) pursuant to a dividend or interest reinvestment plan; or (c) upon the conversion of outstanding convertible securities or upon the exercise of outstanding transferable warrants issued by the issuer of the securities to be offered, or by an affiliate of such issuer. In the case of securities registered pursuant to this paragraph, the financial statements included in this registration statement may comply with Item 17 or 18 of Form 20-F. The registration of securities to be offered or sold in a standby underwriting in the United States or similar arrangement is not permitted pursuant to this paragraph. See paragraphs (b)(1), (2) and (3) of this section.

C. *Automatic shelf offerings by well-known seasoned issuers.*

Any registrant that is a well-known seasoned issuer as defined in Rule 405 (§230.405 of this chapter) at the most recent eligibility determination date specified in paragraph (2) of such definition may use this Form for registration under the Securities Act of securities offerings, other than pursuant to Rule 415(a)(1)(vii) or (viii) (§230.415(a)(1)(vii) or (viii) of this chapter), as follows:

1. The securities to be offered are:

- (i) A registrant that is a well-known seasoned issuer by reason of paragraph (1)(i)(A) of the definition in Rule 405; or

(b) Non-convertible securities, other than common equity, to be offered pursuant to Rule 415, Rule 430A, or Rule 430B by a registrant that is a well-known seasoned issuer only by reason of paragraph (1)(i)(B) of the definition in Rule 405 and does not fall within paragraph (b)(1) of this section;

(c) Securities of majority-owned subsidiaries of the parent registrant to be offered pursuant to Rule 415, Rule 430A, or Rule 430B if the parent registrant is a well-known seasoned issuer and the securities of the majority-owned subsidiary being registered meet the following requirements:

(i) Securities of a majority-owned subsidiary that is a well-known seasoned issuer at the time it becomes a registrant, other than by virtue of paragraph (1)(ii) of the definition of well-known seasoned issuer in Rule 405;

(iii) Securities of a majority-owned subsidiary that are a guarantee of:

(A) Non-convertible securities, other than common equity, of the parent registrant being registered;

(B) Non-convertible securities, other than common equity, of another majority-owned subsidiary being registered and the parent registrant has provided a full and unconditional guarantee, as defined in Rule 3-10 of Regulation S-X, of the payment obligations on such non-convertible securities; or

(iv) Securities of a majority-owned subsidiary that meet the conditions of the Transaction Requirement set forth in paragraph (b)(2) of this section (Primary offerings of non-convertible investment grade securities).

(d) Securities to be offered for the account of any person other than the issuer (“selling security holders”), provided that the registration statement and the prospectus are not required to separately identify the selling security holders or the securities to be sold by such persons until the filing of a prospectus, prospectus supplement, posteffective amendment to the registration statement, or report under the Exchange Act that is incorporated by reference into the registration statement and prospectus, identifying the selling security holders and the amount of securities to be sold by each of them and, if included in a report under the Exchange Act that is incorporated by reference, a prospectus or prospectus supplement is filed, as required by Rule 430B, pursuant to Rule 424(b)(7) (§230.424(b)(7) of this chapter).

(2) The registrant pays the registration fee pursuant to Rules 456(b) and 457(r) (§230.456(b) and §230.457(r) of this chapter) or in accordance with Rule 456(a) (§230.456(a) of this chapter);

(3) If the registrant is a majority-owned subsidiary, it is required to file and has filed reports pursuant to section 13 or section 15(d) of the Exchange Act (15 U.S.C. 78m or 78o(d)) and satisfies the requirements of this Form with regard to incorporation by reference or information about the majority-owned subsidiary is included in the registration statement (or a post-effective amendment to the registration statement);

(4) The registrant may register additional securities or classes of its or its subsidiaries’ securities on a post-effective amendment pursuant to Rule 413(b) (§230.413(b) of this chapter); and

(5) An automatic shelf registration statement and post-effective amendment will become effective immediately pursuant to Rule 462(e) and (f) (§230.462(e) and (f) of this chapter) upon filing. All filings made on or in connection with automatic shelf registration statements on this Form become public upon filing with the Commission.

II. Application of General Rules and Regulations

- A. Attention is directed to the General Rules and Regulations under the Securities Act, particularly Regulation C (§230.400 *et seq.* of this chapter) thereunder. That Regulation contains general requirements regarding the preparation and filing of registration statements.
- B. Attention is directed to Regulation S-K (§229 of this chapter) and Form 20-F (§249.220f of this chapter) for the requirements applicable to the content of registration statements under the Securities Act. Where this Form directs the Registrant to furnish information required by Regulation S-K or Form 20-F and the Item of Regulation S-K or Form 20-F so provides, information need only be furnished to the extent appropriate. Notwithstanding Items 501 and 502 of Regulation S-K, no table of contents and cross-reference sheet are required to be included in the prospectus or the registration statement prepared on this Form. In addition to the information expressly required to be included in a registration statement on this Form F-3, registrants also may provide such other information as they deem appropriate.
- C. **Non-Automatic Shelf Registration Statements.** Where two or more classes of securities being registered on this Form pursuant to General Instruction I.B. 1. or I.B.2. are to be offered pursuant to Rule 415(a)(1)(x) (§230.415(a)(1)(x)), and where this Form is not an automatic shelf registration statement, Rule 457(o) permits the registration fee to be calculated on the basis of the maximum offering price of all the securities listed in the Fee Table. In this event, while the Fee Table would list each of the classes of securities being registered and the aggregate proceeds to be raised, the Fee Table need not specify by each class information as to the amount to be registered, proposed maximum offering price per unit, and proposed maximum aggregate offering price.
- D. A registrant must file the Form F-3 registration statement in electronic format via the Commission's Electronic Data Gathering and Retrieval System (EDGAR) in accordance with the EDGAR rules set forth in Regulation S-T (17 CFR Part 232), except that a registrant that has obtained a hardship exception under Regulation S-T Rule 201 or 202 (17 CFR 232.201 or 232.202) may file the registration statement in paper. For assistance with technical questions about EDGAR or to request an access code, call the EDGAR Filer Support Office at (202) 551-8900. For assistance with questions about the EDGAR rules, call the Office of EDGAR and Information Analysis at (202) 551-3610.
- E. The Form F-3 registration statement must be in the English language, as required by Regulation S-T Rule 306 (17 CFR 232.306) for electronic filings and Securities Act Rule 403(c) (17 CFR 230.403(c)), generally. If the registration statement requires the inclusion, as an exhibit or attachment, of a document that is in a foreign language, the registrant must provide instead either an English translation or an English summary of the foreign language document in accordance with Securities Act Rule 403(c) (17 CFR 230.403(c)) for both electronic and paper filings. The registrant may submit a copy of the unabridged foreign language document along with the English translation or English summary as permitted by Regulation S-T Rule 306(b) (17 CFR 232.306(b)) for electronic filings or by Securities Act Rule 403(c)(4) (17 CFR 230.403(c)(4)) for paper filings.
- F. **Automatic Shelf Registration Statements.** Where securities are being registered on this Form pursuant to General Instruction I.C., Rule 456(b) permits, but does not require, the registrant to pay the registration fee on a pay-as-you-go basis and Rule 457(r) permits, but does not require, the registration fee to be calculated on the basis of the aggregate offering price of the securities to be offered in an offering or offerings off the registration statement. If a registrant elects to pay all or a portion of the registration fee on a deferred basis, the Fee Table in the initial filing must identify the classes of securities being registered and provide that the registrant elects to rely on Rule 456(b) and Rule 457(r), but the Fee Table does not need to specify any other information. When the registrant amends the Fee Table in accordance with Rule 456(b)(1)(ii), the amended Fee Table must include either the dollar amount of securities being registered if paid in advance of or in connection with an offering or offerings or the aggregate offering price for all classes of securities referenced in the offerings and the applicable registration fee.
- G. **Information in Automatic and Non-Automatic Shelf Registration Statements.** Where securities are being registered on this Form pursuant to General Instruction I.A.5, I.B.1, I.B.2, or I.C., information is only required to be furnished as of the date of initial effectiveness of the registration statement to the extent required by Rule 430A or Rule 430B. Required information about a specific transaction must be included in the prospectus in the registration statement by means of a prospectus that is deemed

to be part of and included in the registration statement pursuant to Rule 430A or Rule 430B, a post-effective amendment to the registration statement, or an Exchange Act report incorporated by reference into the registration statement and the prospectus and identified in a prospectus filed, as required by Rule 430B, pursuant to Rule 424(b) (§230.424 (b) of this chapter).

H. Selling Security Holder Offerings. Where a registrant eligible to register primary offerings on this Form pursuant to General Instruction I.B.1 registers securities offerings on this Form pursuant to General Instruction I.B.1 or I.B.3 for the account of persons other than the registrant, if the offering of the securities, or securities convertible into such securities, that are being registered on behalf of the selling security holders was completed and the securities, or securities convertible into such securities, were issued and outstanding prior to the original date of filing the registration statement covering the resale of the securities, the registrant may, as permitted by Rule 430B(b), in lieu of identifying selling security holders prior to effectiveness of the resale registration statement, refer to unnamed selling security holders in a generic manner by identifying the initial transaction in which the securities were sold. Following effectiveness, the registrant must include in a prospectus filed pursuant to Rule 424(b)(7), a post-effective amendment to the registration statement, or an Exchange Act report incorporated by reference into the prospectus that is part of the registration statement (which Exchange Act report is identified in a prospectus filed, as required by Rule 430B, pursuant to Rule 424(b)(7)), the names of previously unidentified selling security holders and amounts of securities that they intend to sell. If this Form is being filed pursuant to General Instruction I.C. by a well-known seasoned issuer to register securities being offered for the account of persons other than the issuer, the registration statement and the prospectus included in the registration statement do not need to designate the securities that will be offered for the account of such persons, identify them, or identify the initial transaction in which the securities, or securities convertible into such securities, were sold until the registrant files a post-effective amendment to the registration statement, a prospectus pursuant to Rule 424(b), or an Exchange Act report (and prospectus filed, as required by Rule 430B, pursuant to Rule 424(b)(7)) containing information for the offering on behalf of such persons.

III. Dividend or Interest Reinvestment Plans: Filing and Effectiveness of Registration Statement; Requests for Confidential Treatment

Original registration statements on this Form F-3 solely with respect to securities offered pursuant to dividend or interest reinvestment plans shall become effective automatically upon filing (Rule 456, §230.456 of this chapter) pursuant to the provisions of Section 8(a) of the Act (Rule 462, §230.462 of this chapter). Post-effective amendments to such a registration statement on this Form shall become effective upon the date of filing (Rule 464, §230.464 of this chapter). Delaying amendments are not permitted in connection with either original filings or amendments on such a registration statement (Rule 473(d), §239.473(d) of this chapter), and any attempt to interpose a delaying amendment of any kind will be ineffective. All filings made on or in connection with this Form become public upon filing with the Commission. As a result, requests for confidential treatment made under Rule 406 (§230.406 of this chapter) must be processed with the Commission staff prior to the filing of the registration statement. The number of copies of the registration statement and of each amendment required by Rules 402 and 472 (§§230.402 and 230.472 of this chapter) shall be filed with the Commission: *Provided however*, that the number of additional copies referred to in Rule 402(b) may be reduced from ten to three and the number of additional copies referred to in Rule 472(a) may be reduced from eight to three, one of which shall be marked clearly and precisely to indicate changes.

IV. Registration of Additional Securities

A. Registration of Additional Securities Pursuant to Rule 462(b). With respect to the registration of additional securities for an offering pursuant to Rule 462(b) under the Securities Act, the registrant may file a registration statement consisting only of the following: the facing page; a statement that the contents of the earlier registration statement, identified by file number, are incorporated by reference; required opinions and consents; the signature page; and any price-related information omitted from the earlier registration statement in reliance on Rule 430A that the registrant chooses to include in the new registration statement. The information contained in such a Rule 462(b) registration statement shall be deemed to be a part of the earlier registration statement as of the date of effectiveness of the Rule 462(b) registration statement. Any opinion or consent required in the Rule 462(b) registration statement may be incorporated by reference from the earlier registration statement with respect to the offering, if: (i) such opinion or consent expressly provides for such incorporation; and (ii) such opinion relates to the securities registered pursuant to Rule 462(b). See Rule 411(c) and Rule 439(b) under the Securities Act.

B. Registration of Additional Securities or Classes of Securities or Additional Registrants After Effectiveness. A well-known seasoned issuer relying on General Instruction I.C. of this Form may register additional securities or classes of securities, pursuant to Rule 413(b) by filing a post-effective amendment to the effective registration statement. The well-known seasoned issuer may add majority-owned subsidiaries as additional registrants whose securities are eligible to be sold as part of the automatic shelf registration statement by filing a post-effective amendment identifying the additional registrants, and the registrant and the additional registrants and other persons required to sign the registration statement must sign the post-effective amendment. The post-effective amendment must consist of the facing page; any disclosure required by this Form that is necessary to update the registration statement to reflect the additional securities, additional classes of securities, or additional registrants; any required opinions and consents; and the signature page. Required information, consents or opinions may be included in the prospectus and the registration statement through a post-effective amendment or may be provided through a document incorporated or deemed incorporated by reference into the registration statement and the prospectus that is part of the registration statement, or, as to the required information only, contained in a prospectus filed pursuant to Rule 424(b) that is deemed part of and included in the registration statement and prospectus that is part of the registration statement.
