 U.S. CENSUS BUREAU

NOTICE OF VISIT

Dear Resident:

SORRY I MISSED YOU.

The Census Bureau is conducting a special census in your community. I stopped by today to complete a special census questionnaire for your household, but you were not at home. If you would like to provide the information over the phone – it generally takes about seven minutes – you can telephone me at home. Otherwise, I'll stop back in the next day or two.

Your privacy is protected by law (Title 13 of the United States Code). No one other than Census Bureau staff can see your form or find out what you tell us – no other government agency, no court of law, **NO ONE**.

It's important to count everyone in this special census.

Thank you.
