DM020. Lastly, I'd like to find out how you see yourself in relation to other people in the United States.

DM021. Please look at this card. **Think of this ladder as representing where people stand in the United States.** At the **top** of the ladder are the people who are the best off – those who have the most money, the most education and the most respected jobs. At the **bottom** are the people who are the worst off – who have the least money, least education, and the least respected jobs or no job.

**Where would you place yourself on this ladder?**

Please point to the rung where you think you stand at this time in your life, relative to other people in the United States.
