Purpose of Form

Use Form 8925 to report the number of employees covered by employer-owned life insurance contracts issued after August 17, 2006, and the total amount of employer-owned life insurance in force on those employees at the end of the tax year. Policyholders must also indicate whether a valid consent has been received from each covered employee, and the number of covered employees for which a valid consent has not been received. See section 6039I for more information.

Definitions

Employer-owned life insurance contract. For purposes of Form 8925, an insurance contract is an employer-owned life insurance contract if it is owned by a policyholder as defined below, and covers the life of the policyholder's employee(s) on the date the life insurance contract is issued. If you have master contracts, see section 101(j)(3) for additional information.

Policyholder. Generally, a policyholder is a person who is (a) engaged in a trade or business that employs the person insured under the employer-owned life insurance contract and (b) the direct or indirect beneficiary of the employer-owned life insurance contract.

Related person. A related person is considered a policyholder if that person is (a) related to the policyholder (defined earlier) under sections 267(b) or 707(b)(1), or (b) engaged in a trade or business under common control with the policyholder. See sections 52(a) and (b).

Employee. Employee includes an officer, director, or highly compensated employee under section 414(q).

Insured. An individual must be a U.S. citizen or resident to be considered insured under an employer-owned life insurance contract. Both individuals covered by a contract covering the joint lives of two individuals are considered insured.

Notice and consent requirements. To qualify as an employer-owned life insurance contract, the policyholder must meet the notice and consent requirements listed below before the issuance of the contract.

1. Provide written notification to the employee stating the policyholder intends to insure the employee's life and the maximum face amount for which the employee could be insured at the time the contract was issued.
2. Provide written notification to the employee that the policyholder will be a beneficiary of any proceeds payable upon the death of the employee.
3. Receive written consent from the employee. See *Valid consent* under the instructions for line 4a.

Who Must File

Generally, every policyholder owning one or more employer-owned life

insurance contracts issued after August 17, 2006, must file Form 8925 for each tax year the contract(s) is owned. However, you are not required to file Form 8925 for any tax year ending before November 14, 2007.

Section 1035 exchanges.

Policyholders are not required to complete Form 8925 for a life insurance contract issued after August 17, 2006, as part of a section 1035 exchange for a contract issued before August 18, 2006.

However, any material increase in the death benefit or other material change to the contract will cause it to be treated as a new contract and the policyholder is required to file Form 8925. For master contracts under section 264(f)(4)(E), the addition of covered lives is treated as a new contract only for the additional covered lives.

See sections 1035 and 264(f)(4)(E) for more information.

How To File

Attach Form 8925 to the policyholder's income tax return for each tax year ending after November 13, 2007, during which the policyholder has employer-owned life insurance contract(s) in force.
