Full Text of Announcement

I. Funding Opportunity Description

A. Program Description. The purpose of this Demonstration Pre-Development Grant program is to assist Sponsors of projects that receive Fund Reservation Awards pursuant to the FY2007 SuperNOFA for the Section 202 Supportive Housing for the Elderly program, by providing pre-development grant funding for architectural and engineering work, site control, and other planning-related expenses that are eligible for funding under the Section 202 Supportive Housing for the Elderly program. Subsequent to providing pre-development grant funding to the selected applicants, HUD will assess the impact of the availability of such funding on the ability of project Sponsors to expedite the development processing of projects from Section 202 Fund Reservation to Initial Closing within 18 months.

HUD is aware of the complexities of developing Section 202 projects and understands that a lack of pre-development funding may be a contributing factor in many instances where project Sponsors are not able to move their approved projects from Fund Reservation award to Initial Closing within the required 18-month time

frame. Funding under this program is not intended to duplicate Section 202 Capital Advance funding, but rather to provide a source of funding for pre-development costs that would otherwise not be reimbursable until Initial Closing or would be payable from eligible funding resources secured outside of Section 202 Capital Advance funding.

B. Authority. The Section 202 Demonstration Pre-Development program is authorized by the Revised Continuing Appropriations Resolution, 2007 (Pub. L. 110-5; approved February 15, 2007).

II. Award Information

A. Funding Available. The Revised Continuing Appropriations Resolution, 2007 (Pub. L. 110-5; approved February 15, 2007) authorized approximately \$19,800,000 for pre-development grants to private nonprofit organizations and consumer cooperatives in connection with the development of housing under the Section 202 Supportive Housing for the Elderly program.

B. Funding Process. HUD will only make offers to fully fund as many applications as possible from the \$19,800,000 allocated for Sponsors that receive Section 202 Fund Reservations pursuant to the FY2007 SuperNOFA. Applicants selected for funding under the FY2007 Section 202 Supportive Housing for the Elderly NOFA are not guaranteed funding under this demonstration program.

C. Maximum Grant Award. The maximum grant amount per single application is \$400,000. However, no more than \$800,000 may be awarded to a single entity or its affiliated organizations. The amount of funding requested must be within the maximum grant award amounts; otherwise, the application will not receive funding consideration.

D. Reduction of Requested Grant Amount. HUD may make an award in an amount less than requested, if:

1. HUD determines that any of the proposed pre-development activities are ineligible for funding under the Section 202 Supportive Housing for the Elderly program;

2. HUD determines that an eligible applicant has not been able to provide sufficient evidence to support the proposed cost of an eligible pre-development item or activity;

3. HUD determines that a reduced grant would prevent duplicative federal funding; or

4. HUD determines that proposed costs for pre-development activities are not based on comparable costs for eligible items and activities in the applicant's community. HUD field office
