

Private Pilot Airplane Single-Engine Land (P-ASEL) Assessment of Instruction and Practical Test Experiences

Dear General Aviation Pilot,

Recently, you should have received an invitation to take a survey that is being conducted by the Federal Aviation Administration (FAA). The invitation was mailed to general aviation pilots who were recently certificated for the Private Pilot Single-Engine Land (P-ASEL) category and class rating. The survey is **anonymous** and **voluntary**.

The survey gathers information about the quality of flight training you received and your experiences during the practical test for P-ASEL certification. If you have not completed the survey, please take the opportunity to do so now.

Call (405) 954-1594 to request a paper copy of the survey or **you may complete the survey on-line via the Internet** at the following web address: **#WebAddress#**

Enter the following User ID when prompted: **#UserID#**

Thank you for your participation.
