

Interview Protocols to be used during Telephone Interviews

Topics of interviews to be determined after analysis of survey data. Questions present here are comprehensive list of possible topics.

PI Protocol

PI Interview Protocol:

[Interviewer will review project proposal prior to interview to be familiar with the activities of the grant.]

What have been the greatest challenges of getting your GK-12 project up and running?
How have you overcome these challenges?

How would you describe the benefits of participating in GK-12 for Fellows? for K-12 Teachers?

Do you see any evidence that participating faculty members have changed the way they teach as a result of participating in GK-12? (Please describe.)

How supportive has your institution been of your GK-12 project activities? (e.g., office space, staff, funds)

How supportive is your institution of partnering with other organizations (such as K-12 schools, museums, etc.)?

What have been the benefits of partnering with a K-12 school for you and the school?
What are you each getting out of it?

Do you have a plan for institutionalizing any of your GK-12 activities after funding ends?
If so, how?

Has your GK-12 award had any influence on the way that graduate students are educated in participating departments? (If so, please describe.)

Has your GK-12 award had any influence on the way that graduate students are educated in other departments? (If so, please describe.)

Pursuant to 5 CFR 1320.5(b), an agency may not conduct or sponsor, and a person is not required to respond to an information collection unless it displays a valid OMB control number. The OMB control number for this collection is 3145-0187. Public reporting burden for this collection of information is estimated to average 30 minutes per response,

including the time for reviewing instructions. Send comments regarding this burden estimate and any other aspect of this collection of information, including suggestions for reducing this burden, to: Suzanne H. Plimpton, Reports Clearance Officer, Facilities and Operations Branch, Division of Administrative Services, National Science Foundation, Arlington, VA 22230.
