Please report all livestock slaughter at your plant, including any custom slaughter for farmers. Do not include any slaughtering done elsewhere for you by others. The information you supply along with that furnished by other plants in this state will provide useful data on monthly slaughter as well as changes in the meat industry. This information will be published in the April 25th Livestock Slaughter Report. Response to this survey is voluntary and not required by law. However your cooperation in answering these questions will be appreciated.

Please return this form promptly even if you did not slaughter any livestock. Your report will be kept confidential. The enclosed envelope does not require a stamp.

Please make corrections to name, address and Zip Code, if necessary.
