

REACH U.S.

Racial and Ethnic Approaches to Community Health Across the U.S.

If you have questions, please call 1-877-732-8194

The Centers for Disease Control and Prevention (CDC), with the help of the National Opinion Research Center at the University of Chicago (NORC), is conducting an important study on health in your community.

Please have an adult (18 years or older) who lives in this household complete the following questions so we may call you to complete the interview. Your information will remain private to the extent permitted by law.

If you have questions or would prefer to answer these questions by phone, please call NORC toll-free 1-877-732-8194.

1. Please provide us with your phone number, so that we may contact you by phone to complete this important study.

- -

2. When is the best time to call you?

Weekdays:

- 1 9am-5pm
2 5pm-7pm
3 7pm-9pm

Weekends:
