The Social Security Administration is authorized to collect the information on this statement under Sections 1614 and 1621 of the Social Security Act, as amended (42 U.S.C. 1382c(f) and 1383(3)). The information is needed to enable Social Security to determine eligibility or continued eligibility of an individual who is filing for or receiving monthly benefits. While it is VOLUNTARY for you to furnish the information on this form to Social Security, failure to provide all or part of this information could prevent an accurate and timely decision on this claim and could result in the loss of some benefits.

Although the information you furnish on the application is rarely used for any other purpose than stated in the foregoing, there is a possibility that information may be disclosed to another person or to another governmental agency as follows: (1) to enable a third party or an agency to assist Social Security in establishing rights to Supplemental Security Income payments and (2) to comply with Federal laws requiring the release of information from Social Security records (e.g., to the Dept. of Veterans Affairs). We may also use the information you give us in computer matching programs even if you do not agree. Matching programs compare our records with those of other Federal, State, or local government agencies. Many agencies may use matching programs to find or prove that a person qualifies for benefits paid by the Federal government.

Explanations about these and other reasons why information you provide us may be used or given out are available in Social Security offices. If you want to learn more about this, contact any Social Security office.
