

Appendix J. Pilot Test Feedback Form

MSF PILOT TEST

DEBRIEFING QUESTIONS

1. Did you have any difficulty understanding the consent form – either the language or what you were agreeing to? If so, what was confusing?
2. Please tell me in your own words what you understood the purpose of the study to be after reading the consent form.
3. We asked you a lot of questions about the six months before [YOUR/YOUR PARTNER’S] incarceration. Was it hard to remember those six months?
4. We also asked you a lot of questions about what has been happening during [YOUR/YOUR PARTNER’S] incarceration. Was it hard to remember everything that has happened during that time?
5. Were there any questions in the interview you didn’t understand? SPECIFY
6. We asked you a lot of questions that would have required you to say the number of times you have had telephone, phone, and in-person contact with various family and friends. How did you come up with your answers? Did you think back to each individual time and count them all up, or did you try to guess or estimate?
7. Were there any other questions that were hard to answer because you couldn't remember the needed information? SPECIFY
8. Were there any questions that upset you? SPECIFY
9. Were there any questions that you felt did not apply to you or your situation?
SPECIFY
10. Do you think we asked all the important questions, or are there other things that you think I should know?
11. Are there any questions that you think people will not answer honestly?

12. How did you feel about the length of the interview? Did you stay interested the whole time, or was there a point at which you just wanted it to be over?
[SPECIFY THE POINT AT WHICH IT BECAME TOO LONG.]

13. Imagine that you were offered \$25 to participate in this interview again in 6 months? Imagine that we would be asking the same questions. Would you be willing to participate? Why or why not?
