F. NARRATIVE

Optional focused narrative questions

At the end of “program activities”, “training”, “education”, “system advocacy”, “policies” and “topics of technical assistance”, there will be an optional narrative question that gives you the opportunity to provide additional information regarding that particular activity area. Following is an example from the training section:

Use the space below to discuss the effectiveness of your training activities and to provide further explanation on how these activities increase the safety of American Indian/Alaska Native women.

Optional data clarification question

A final question allows subgrantees to provide additional information to explain and clarify the data contained in the reporting form.

Provide any additional information that you would like us to know about the data submitted. *(If you have any information that could be helpful in understanding the data you have submitted in this report, please answer this question. For example, if you submitted two different progress reports for the same reporting period, you may explain how the data was apportioned to each report; or if you funded staff— but did not report any corresponding activities, you may explain why; or if you did not use program funds to support either staff or activities during the reporting period, please explain how program funds were used, if you have not already done so.)*
