## **F. NARRATIVE**

### **Optional focused narrative questions**

At the end of most of the sections of the form there will be an optional narrative question that gives subgrantees the opportunity to provide additional information regarding that particular activity area.

Following is an example from the training section:

*Use the space below to discuss the effectiveness of your training activities and to provide any additional information you would like to share about your training activities beyond what you have provided in the data above. Examples might include a reduction in inappropriate referrals following a judicial training; improved system response to victims with disabilities following a multidisciplinary training specific to victims with disabilities.*

The following sections of the forms have this question: training and staff development, CCR, policies, planning, and services.

### **Optional data clarification question**

A final question allows subgrantees to provide additional information to explain and clarify the data contained in the reporting form.
