

U.S. DEPARTMENT OF JUSTICE OFFICE ON VIOLENCE AGAINST WOMEN SEMI-ANNUAL PROGRESS REPORT FOR SAFE HAVENS: SUPERVISED VISITATION AND SAFE EXCHANGE GRANT PROGRAM

Brief Instructions: This form must be completed for each Safe Havens: Supervised Visitation and Safe Exchange Grant Program (Supervised Visitation) grant received. The grant administrator or coordinator must ensure that the form is completed fully with regard to all grant activities. If the program involves more than one site (either for provision of services or for planning), there will still be only one form completed for each program. Grant partners, however, may complete sections relevant to their portion of the grant. Grant administrators or coordinators are responsible for compiling and submitting a single report that reflects all information collected from grant partners.

All grantees should read each section to determine which items they must answer, based on the activities engaged in under this grant during the current reporting period. Sections A1, B, C2, C3, E, and F of this form must be completed by all grantees. In subsections A2, C1, and C4, and section D, grantees must answer an initial question about whether they engaged in certain activities during the current reporting period. If the response is yes, then the grantee must complete that section or subsection. If the response is no, the rest of that section or subsection is skipped.

For example, if you receive funds to hire staff for the purposes of planning and protocol development, you will complete sections A, B, C2, C3, C4, E, and F (and answer 'no' in C1 and D); or if you receive funds to hire staff for services and training, you will complete sections A, B, C1, C2, C3, D, E, F (and answer 'no' in C4).

The activities of volunteers or interns should be reported if they are coordinated or supervised by Supervised Visitation Program-funded staff or if Supervised Visitation Program funds substantially support their activities.

For further information on filling out this form, refer to the separate set of instructions, which contains detailed definitions and examples, illustrating how questions should be answered.
