SECTION 5: DEFINITIONS

- **Capitalization** is the addition of unpaid interest to the principal balance of my loan. This will increase the principal and the total cost of my loan.
- A **deferment** is a period during which I am entitled to postpone repayment of the principal balance of my loan(s). The federal government pays the interest that accrues during an eligible deferment for all subsidized Federal Stafford Loans and for Federal Consolidation Loans for which the Consolidation Loan application was received by my loan holder (1) on or after January 1, 1993, but before August 10, 1993, (2) on or after August 10, 1993, if it includes **only** Federal Stafford Loans that were eligible for federal interest subsidy, or (3) on or after November 13, 1997, for that portion of the consolidation loan that paid a subsidized FFEL Program Loan or a subsidized Federal Direct Loan. I am responsible for the interest that accrues during this period on all other FFEL Program loans.
- **Family size** is determined by counting (1) myself, (2) my spouse, (3) my children, if they receive more than half of their support from me, and (4) other persons if, at the time I request an economic hardship deferment, they live with me and receive more than half their support from me, and will continue to receive this support from me. Support includes money, gifts, loans, housing, food, clothes, car, medical and dental care, and payment of college costs.
- Eligible **federal education loans** that may be included in determining the total amount I owed for deferment conditions (5) and (6) in Section 2 are listed below. I may include defaulted loans only if I have made repayment arrangements satisfactory to the holder of those loans.
 - All Federal Family Education Loan (FFEL) Program loans (see definition)
 - All William D. Ford Federal Direct Loan Program loans (see definition)
 - All Federal Perkins Loan Program loans (see definition)
 - Health Education Assistance Loans (HEAL)
 - Health Professions Student Loans (HPSL)
 - Loans for Disadvantaged Students (LDS)
 - Primary Care Loans (PCL)
 - Nursing Student Loans (NSL)
- The **Federal Family Education Loan (FFEL) Program** includes Federal Stafford Loans (both subsidized and unsubsidized), Federal Supplemental Loans for Students (SLS), Federal PLUS Loans, Federal Consolidation Loans, Guaranteed Student Loans (GSL), Federal Insured Student Loans (FISL), and Auxiliary Loans to Assist Students (ALAS).
- The **Federal Perkins Loan (Perkins Loan) Program** includes Federal Perkins Loans, National Direct Student Loans (NDSL), and National Defense Student Loans (Defense Loan).
- **Forbearance** means permitting the temporary cessation of payments, allowing for an extension of time for making payments, or temporarily accepting smaller payments than previously scheduled. I am responsible for the interest that accrues on my loan(s) during a forbearance. If I do not pay the interest that accrues, the interest may be capitalized.
- **Full-time** employment is defined as working at least 30 hours per week in a position expected to last at least three consecutive months.
- The **holder** of my FFEL Program loan(s) may be a lender, guaranty agency, secondary market, or the U.S. Department of Education.
- **Monthly income** is either:
 - (1) the amount of my monthly income from employment and other sources before taxes and other deductions, **or**
 - (2) one-twelfth of the amount of my income reported as "adjusted gross income" on my most recently filed Federal Income Tax Return.
 I may choose either of these income amounts for the purpose of reporting my monthly income on this deferment request.
- The **repayment period** (for deferment conditions (5) and (6) in Section 2) refers to the total number of years that my current repayment plan allows me to repay my loan, including the years that my loan has already been in repayment. For any loan that my current repayment plan requires me to repay in a total of 10 years or less, my actual monthly payment amount will be used in determining whether I am eligible for a deferment. For any loan that my current repayment plan allows me a total of more than 10 years to repay, my payment amount will be adjusted to show the estimated monthly amount that I would owe if I were required to repay the loan in fixed installments within a 10-year repayment period.
- The **William D. Ford Federal Direct Loan (Direct Loan) Program** includes Federal Direct Stafford/Ford (Direct Subsidized) Loans, Federal Direct Unsubsidized Stafford/Ford (Direct Unsubsidized) Loans, Federal Direct PLUS (Direct PLUS) Loans, and Federal Direct Consolidation (Direct Consolidation) Loans. These loans are known collectively as "Direct Loans."

SECTION 6: ELIGIBILITY CRITERIA / TERMS AND CONDITIONS FOR ECONOMIC HARDSHIP DEFERMENT

- If I had no outstanding balance on a FFEL Program loan as of the date I obtained a loan **on or after July 1, 1993**, I may defer repayment of my loan(s) during the period that I meet one of the economic hardship deferment conditions described in Section 2.
- If my economic hardship deferment eligibility is based on condition (1), as described in Section 2, I must provide my loan holder with documentation of the deferment that has been granted under the Direct Loan Program or the Federal Perkins Loan Program (for example, correspondence from my loan holder showing that I have been granted a deferment).
- If my economic hardship deferment eligibility is based on condition (2), as described in Section 2, I must provide my loan holder with documentation confirming that I am receiving or received payments under a federal or state public assistance program.
- If my economic hardship deferment eligibility is based on condition (3), as described in Section 2, I must provide my loan holder with documentation which certifies the beginning and anticipated ending dates of my service in the Peace Corps and which is signed and dated by an authorized Peace Corps official.
- If my economic hardship deferment eligibility is based on conditions (4), (5) or (6), as described in Section 2, I must provide my loan holder with documentation of my monthly income as defined in Section 5. If I am reporting monthly income from employment and other sources, I must provide documentation such as pay stubs. If I am reporting one-twelfth of my adjusted gross income, I must provide a copy of my most recently filed Federal Income Tax Return.
- If my economic hardship deferment eligibility is based on condition (5) or condition (6), as described in Section 2, I must provide my loan holder with documentation of the total amount I owed for all federal education loans that are now in repayment, such as disclosure statements or current repayment schedules. This must include the monthly payment amount, beginning loan balance, and repayment terms. If my total federal education loan debt includes defaulted loans, I must provide documentation that I have made repayment arrangements satisfactory to the holder(s) of the defaulted loans.
- If my economic hardship deferment eligibility is based on conditions (4), (5), or (6), I must use the Poverty Line income amount for my family size and state as shown in the chart below. If I am not currently residing in the United States, I will use the Poverty Line amount for the 48 contiguous states.

Borrower's Family Size (see definition in Section 5)	These are monthly figures that represent 150% of the Poverty Line		
	48 Contiguous States and District of Columbia	Alaska	Hawaii
1	\$1,300.00	\$1,625.00	\$1,495.00

3	2,200.00	2,750.00	2,530.00
4	2,650.00	3,312.50	3,047.50
For each additional person, add:	450.00	562.50	517.50

- I will provide additional documentation to my loan holder, as required, to support my deferment status.
- I will notify my loan holder immediately when the condition that qualified me for the deferment ends.
- My deferment will begin on the date the deferment condition began.
- My deferment will end on the earlier of the date that the condition that establishes my deferment eligibility ends or the certified deferment end date.

Section 6 continued on Page 3

SECTION 6 (Continued)

- My maximum cumulative eligibility for an economic hardship deferment is 36 months. Except for a deferment based on condition (3), as described in Section 2, I must reapply every 12 months if I continue to meet the criteria for an economic hardship deferment.
- If my deferment does not cover all my past due payments, my loan holder may grant me a forbearance for all payments due before the begin date of my deferment. If the period for which I am eligible for a deferment has ended, my loan holder may grant me a forbearance for all payments due at the time my deferment request is processed.
- My loan holder may grant me a forbearance on my loans for up to 60 days, if necessary, for the collection and processing of documentation related to my deferment request. Interest that accrues during this forbearance will not be capitalized.
