

PAPERWORK REDUCTION ACT STATEMENT

This information is being collected to assist the U.S. Environmental Protection Agency in determining the effectiveness of the SunWise Program in changing schoolchildren's sun safety knowledge, attitudes, practices, and intended practices. The Agency is required under the Paperwork Reduction Act to provide the following statement; however, no action is required on your part.

The public reporting and record-keeping burden for this collection of information is estimated to average 10 minutes per response. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, disclose, or provide information to or for a federal agency. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments on the Agency's need for this information, the accuracy of the provided burden estimates, and any suggested methods for minimizing respondent burden, including through the use of automated collection techniques to:
