

REVISIONS TO SUNWISE STUDENT SURVEY

Based on the qualitative interview results and the quantitative IRT analysis results, the following changes to the SunWise student survey were made.

- **Instructions**
 - Added instructions to “Please Turn Over” at the bottom of the first page, to the left of the SunWise logo.
- **Question 11**
 - Made the instructions regarding selecting multiple options more visible by increasing the font size.
 - Changed the Question 11 stem to: “Some of the reasons why I do NOT always wear sunscreen when I’m outside are because:”
 - Changed the Question 11 last answer choice to: “None – I always wear sunscreen!”
 - Added the answer choice: “Sunscreen feels greasy on my skin.”
- **Question 12**
 - Made the instructions regarding selecting multiple options more visible by increasing the font size.
 - Changed the Question 12 stem to: “Some of the reasons why I do NOT always wear a hat when I’m outside are because:”
 - Changed the Question 12 last answer choice to: “None – I always wear a hat!”
- **Question 15**
 - Made the instructions regarding selecting multiple options more visible by increasing the font size.
 - Added answer choice “My neck”
- **Question 16-17**
 - Combined the two questions and change question stem to: “Have you ever reminded a:”
 - Changed secondary question stems to:
 - “Friend to put on sunscreen?”
 - “Sibling (brother or sister) to put on sunscreen?”
 - “Parent or guardian to put on sunscreen?”
 - “Parent or guardian to put sunscreen **on you?**”
 - Kept all responses yes/no.
- **Questions 18-21**
 - Replaced three answer choices with a five-point scale “Never,” “Rarely,” “Sometimes,” “Often,” and “Always,” if space permits.
- **Questions 22-24**
 - Moved questions into the breakout box “When you were outside in the sun last summer”
- **Question 26**
 - Changed “when you go out in the sun” to “when you go outside during the day.”
- **Questions 29-31**
 - Deleted Question 31.

- o Moved questions into the breakout box “When you were outside in the sun last summer” and moved this box to the end of the survey.
- o For Question 29, changed question stem to: “Last summer, how many **days a week** did you spend outside during the day from 10AM to 4PM?”
- o For Question 30, changed question stem to: “On the days that you went outside last summer, how many **hours a day** did you spend outside from 10AM to 4PM?”
