U.S. Department of Housing  
and Urban Development  
Office of Public and Indian Housing  
Office of Urban Revitalization

OMB Approval No. 2577-0208  
(exp. XX/XXXX)

Public reporting burden for this collection of information is estimated to average 5 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless that collection displays a valid OMB control number. This collection of information requires that each applicant submit information to enable HUD to review applications for HOPE VI grant funding. The information will be used by HUD to determine which applicants should be funded. Response to this collection of information is mandatory to obtain a benefit. Responses to the collection are required by the HOPE VI NOFA and is subject to the disclosure requirements of the Department of Housing and Urban Development Reform Act of 1989 (Public Law 101-235, approved December 15, 1989, 42 U.S.C. 3545), as amended. The information requested does not lend itself to confidentiality.

Warning: HUD will prosecute false claims and statements. Conviction may result in the imposition of criminal and civil penalties. (18 U.S.C. 1001, 1010, 1012, 31 U.S.C. 3729, 3802)

## Instructions: HOPE VI Main Street Application Data Sheet

**Tips:** Enter information only into cells with blue borders.  
All other cells are locked, and all calculations are automated.  
Print these instructions for easy reference, then begin at **Step 1**.

### Step 1. On the "Unit Mix" Page, Enter Your Applicant Local Government Name and the Name of the Main Street Area.

### Step 2. On the "Unit Mix" Page, Enter the Number of Each Type and Size of the Affordable Units that are Going to be Developed as part of the Main Street Affordable Housing Project Funded through this NOFA.

- > Select the appropriate column(s) for the proposed units based on structure type, size and development method.
  - Rent-to-Own units are to be counted as Rental Units.
  - Possible development methods are Rehabilitation (of uninhabitable housing already owned by the applicant or partner owner entity only) or New Construction (which includes acquisition of commercial space or uninhabitable housing).
- > Enter the number of units proposed, by Structure Type, in the appropriate row based on the Number of Bedrooms.
  - TDC limit applies to all Main Street affordable housing project units where HOPE VI Main Street grant funds will be used for development.
  - The TDC limit for rehabilitation of existing housing units is 90% of the published TDC limit for a given structure and unit type.
    - The "TDC Limit calculations" worksheet reflects all such applicability as described above.
  - Definitions of the structure types specified on the Unit Mix worksheet:
    - Detached: A structure that consists of a single living unit surrounded by permanent open space on all sides.
    - Semi-detached: A structure containing two living units separated by a common vertical wall.
    - Elevator: Any structure of four or more stories above ground in which an elevator is provided.
    - Row House: A structure containing three or more living units separated only by vertical walls.

### Step 3. On the "Select City and State" Page, Choose the Applicant's City and State

- > Click on the down arrow for City. Click on the name of your city, county or your Metropolitan/Micropolitan Statistical Area.
  - You can look up your MSA at OMB's website, <http://www.census.gov/population/www/estimates/metrodef.html> or call your local HUD office.
- > Click "OK"
- > Click on the down arrow for State. Click on the name of your State.
- > Click "OK"

**Step 4. Enter All Match and All Main Street Rejuvenation Leverage Resources**

that you intend to rehabilitate or build. You are not eligible for grant award if these funds are not available. Match may be cash or in-kind contributions. Please state which they are.

- > The total value of Main Street Area Rejuvenation Effort Leverage is measured in a Rating Factor. It does NOT include the Match for the Main Street Affordable Housing Project. It does include all other public and private funds expended over the last few years on the rejuvenation of the Main Street Area. It may be cash or in-kind services. Please state which.

**Step 5. At the top of the "Construction S&U p1" tab, enter the name of the contact person concerning information about the Sources and Uses.**

- > Also enter the name of the organization that the person is from and the listed contact information.
  - If there is a recognized developer, this person probably represents that developer.

**Sources of Funding that Will Be Used During the Construction Period**

- > Entry areas for costs that are not allowable under the HOPE VI Main Street Program are grayed out.

**and All Sources of Funding that Paid for Those Costs.**

- used to pay off the construction financing.
  - > Entry areas for costs that are not allowable under the HOPE VI Main Street Program are grayed out.

**Step 8. Confirm that Sources are Equal to Uses**

- > Confirm that the HOPE VI Main Street grant funds and any other sources of Public Housing Capital Assistance funds are included.
- > Confirm that sources of HOPE VI/Public Housing funds are equal to uses of HOPE VI/Public Housing funds.

**Step 9. Enter any Extraordinary Site Cost (a component of Additional Project Costs -- not subject to TDC limit)**

- > Enter any Extraordinary Site Cost in the cell provided. This may be some or all of the funds entered in BLI 1450.
  - Extraordinary Site Costs must be verified by an independent registered engineer, and must be approved by HUD in accordance with 24 CFR 941.103.

**Step 10. Review TDC Limit Calculation Results (note that HCC does not apply to the HOPE VI Main Street program)**

- > Review the results of the TDC limit calculations.
  - The TDC limit analysis results are shown on the lower left "TDC Limit calculations" worksheet.

**Step 11. Enter any Extraordinary Site Cost (a component of Additional Project Costs -- not subject to TDC limit)**

- > Enter any Extraordinary Site Cost in the cell provided. This may be some or all of the funds entered in BLI 1450 on the HOPE VI Budget Form.
  - Extraordinary Site Costs must be verified by an independent registered engineer, and must be approved by HUD in accordance with 24 CFR 941.103.

**Step 12. Review TDC Limit Calculation Results (note that HCC does not apply to the HOPE VI Main Street program)**

- > Review the results of the TDC limit calculations.
  - The TDC limit analysis results are shown on the lower left "TDC Limit calculations" worksheet.

**Step 13. Save and Submit this Form With Your Application**

- > To save this form so that your information cannot be changed without your permission:
  - Click on the File menu, then on the Save As... menu item;
  - In the upper right of the Save As window, click on Tools and then General Options;
  - In the Save Options window, enter a password in the Password to Modify block, then click OK;
  - In the Confirm Password window, re-enter the password to verify, then click OK;
  - In the Save As... window, click Save;
  - When prompted, click "Yes" to replace the form file with the password protected form file that you finished filling in.
- > To submit this form as part of your application, follow the instructions in Section IV. of the HOPE VI Main Street NOFA and in the Grants.gov Application Package.

**Note 1:** For valid City/State combinations, a table will show the TDC limits from HUD Notice PIH 2006-22, effective from June 21, 2006 through June 30, 2007 (or as extended by HUD).

**Note 2:** If the desired City/State combination is not included in the list here, you may contact the local HUD Field Office. They will assist in determining the most appropriate City/State combination.

**Note 3:** Total Development Cost limits from this table will be transferred automatically to the "TDC & HCC Limit calculations" worksheet.

List all funds and in-kind services that you are including as Match. Match resources must be used to fund the Main Street Affordable Housing Project only, not other activities in the Main Street Area. The amounts listed on this list must be consistent with the amounts listed on the Sources & Uses portions of this form. Each Match resource contact will be contacted by HUD and may be requested to furnish HUD with a letter demonstrating firm commitment of the resource.
