U.S. DEPARTMENT OF AGRICULTURE
Farm Service Agency
United States Warehouse Act

ADDENDUM TO THE PROVIDER AGREEMENT TO ELECTRONICALLY FILE AND MAINTAIN RICE WAREHOUSE RECEIPTS

This Addendum between (a) _____

(Provider) and the Farm Service Agency (FSA) authorizes the Provider to establish and maintain a database and system, referred to as a central filing system (CFS) for the purpose of electronically filing rice electronic warehouse receipts issued under the United States Warehouse Act (USWA) and permits the Provider to accept the filing of electronic warehouse receipts from other than USWA licensed warehouse operators in such electronic data filing system. Such electronically filed warehouse receipts for rice are hereafter referred to as "Electronic Warehouse Receipts (EWRs)."

Rice is defined as all products commonly classed as rough or milled rice and such other rice products as are ordinarily stored in rice warehouses, subject to the disapproval of the FSA.

Notwithstanding any Federal law or Department of Agriculture (USDA) data security restrictions, nothing contained herein should be interpreted or construed by a Provider so as to deny cooperation with a State licensing authority with respect to access to examination or investigation data stored in a CFS by a State licensed warehouse.

The Provider shall not warrant nor guarantee any part of the underlining transaction or activity that involves the use of the Provider's CFS to perfect or consummate such a transaction or activity. The underlining transaction or activity shall be administered and governed by the applicable Federal or State rule of law.

This Addendum sets forth the Provider's minimum requirements for EWR record formatting, reporting requirements and the protocols to be used in the transmission of such information.

I. Common Computing Environment and eAuthentication

The Provider will, at a minimum, make available a common computing environment to the users of their CFS that offers nondiscriminatory access and ability to logon remotely to the Provider's CFS through an eAuthentication method recognized by FSA. Before accepting an EWR into their CFS as issued, the Provider will, at a minimum, authenticate the warehouse receipt signer as the person authorized by the warehouse operator to issue the EWR.

II. Receipt Record Data Requirements

FSA, in administration of the USWA, the regulations found at 7 CFR Part 735, the Provider Agreement to Electronically File and Maintain Warehouse Receipts and United States Warehouse Act Documents and this Addendum, may at any time require the Provider to furnish information beyond the minimum requirements shown in this Addendum.

A. Required Information

The Provider shall, at a minimum, make the elements listed below available to every USWA and non-USWA licensed warehouse operator issuing EWRs in the CFS. The Provider shall ensure that all of these fields are completed by all warehouse operators. The Provider shall advise warehouse operators that it is the warehouse operator's responsibility to supply the necessary data to complete each element.

B. Additional Information

The Provider shall, at a minimum, make the element listed below available to every USWA, Non-USWA, and State licensed warehouse operator issuing EWRs in their CFS. The Provider shall advise warehouse operators that it is the warehouse operator's responsibility to supply the necessary data to complete this element. This Addendum does not restrict the number of additional fields that may be made available to State licensing authorities or warehouse operators.

CCC Uniform Grain and Rice Storage Agreement (Y or N)

Other non-grade quality factors as may be applicable for a producer to obtain a CCC marketing assistance loan

C. Required elements that can be modified without the warehouse operator being the holder

FSA will allow the warehouse operator to modify the elements, “date to which storage has been paid”, “storage start date”, or “prepaid in or out charges” without being the holder of the EWR. The Provider shall notify the current holder of the EWR of any changes.

D. Suspending an EWR to issue an Interim Paper Warehouse Receipt

When suspending an EWR to issue an interim paper warehouse receipt, the Provider shall advise the warehouse operator to first suspend the EWR, enter the interim paper warehouse receipt number into the applicable EWR data field, and print on the face of the interim paper warehouse receipt the suspended EWR number.

E. Converting a Paper Warehouse Receipt to an EWR

When converting an outstanding paper warehouse receipt to an EWR, the Provider shall advise the warehouse operator to first take possession of and cancel the paper warehouse receipt, print the replacing EWR number on the face of the paper warehouse receipt, and enter the canceled paper warehouse receipt number into the applicable EWR data field.

F. Assignment of EWR Numbers

The Provider shall ensure that warehouse operators issue EWRs consecutively within the number range(s) assigned by FSA or the applicable licensing authority. FSA will assign EWR ranges for non-licensed warehouse operators.

G. Trailer Files and Non-Required EWR Data or Information

The Provider shall make available to the users of their CFS, as an outside attachment to an EWR’s secured data files, a trailer file that may contain non-required EWR data or information for associated business processes.

III. Security of Data

- A. The Provider shall, at a minimum, use data encryption and security methods recognized and approved by FSA.
- B. The Provider shall, at a minimum, adhere to all aspects of Federal and State public disclosure and privacy laws and regulations.

IV. Transmission of Data

The Provider shall, at a minimum, make available free of charge to FSA and State operated rice warehouse regulatory programs an internet site and/or a computer utility program that will download warehouse examination data, as authorized by USDA, from the Provider's CFS.

V. Terms and Conditions for USWA Licensed Warehouse Operators

The following information must be recorded on all EWRs or within the warehouse operator's EWR profile. FSA will be responsible for maintaining and updating this information.

The statements:

The Warehouse Operator's business organization type (i.e. sole proprietor, incorporated, partnership, LLC, etc.) and the name of the State whose laws govern that organization (i.e. "a Texas corporation").
