OFFICE OF THE DIRECTOR

Dear Resident:

In a few days your household will receive a questionnaire in the mail for a very important national survey, the American Community Survey. When the questionnaire arrives, please fill it out and mail it back promptly. The U.S. Census Bureau is conducting this survey and chose your address, not you personally, as part of a randomly selected sample.

The American Community Survey collects information about various topics like education, housing, and jobs. Information from this survey is used by federal, state, local, and tribal governments to meet the needs of communities across America. For example, community leaders use this information to decide where schools, highways, hospitals, and other services are needed. The survey also is used to develop programs to reduce traffic congestion, provide job training, and plan for the healthcare needs of the elderly.

If you have access to the Internet and want to learn more about the American Community Survey, please visit the Census Bureau's Web site:
www.census.gov/acs/www.

Thank you in advance for your help.

Sincerely,

Steve H. Murdock
