Instructions for Completing Form SSA-8202-OCR-SM-NFS

Why We're Sending You The Enclosed Form

We must regularly review the cases of people who get Supplemental Security Income (SSI). We check to be sure that each person is still eligible and we are sending the right amount of SSI money.

As part of your review, we need you to answer the questions on the enclosed form. It's called **Statement For Determining Continuing Eligibility for Supplemental Security Income Payments, SSA-8202-OCR**. If you have a representative payee (that's someone who receives your SSI payment for you), he or she must complete the form.

Below, we'll tell you how to complete the form and what to do if you need help. In the other booklet, we'll also go over some other important facts. We'll explain:

- Changes you need to report to us.
- Computer matching, transfer of resources, and Medicaid.
