U.S. Department of Labor **Bureau of Labor Statistics** International Price Program

Import/Export Item Price Survey

The Bureau of Laboy Statistics, its employees, agents, and partner statistical agencies, will use the information you provide for statistical purposes only and with hold the information in confidence the full setent permitted by law. In accordance with the Confidential Information Protection and Statistical Efficiency Act of 2002 (Title 5 of Public Law 107-347) and other applicable Federal laws, your responses will not be disclosed in identifiable form willow layor information consent. Your voluntary occeptation is needed to make the results of this survey comprehensive, accurate, and timely. We estimate that completing each form will take an awage of formed consent. You will not be disclosed in the production of the produ

The attached survey asks you to report current price information for select items. This survey is designed to measure changes in U.S. import and export prices. If you have any questions, please contact the analyst indicated at the top of the attached forms. For further information on the International Price Program, visit our web site at http://www.bls.gov/mxp/. Thank you for your cooperation.

Please follow these instructions:

- Please complete the attached survey and return via fax to (877) 237-8070 (toll free) or (202) 691-7272 as soon as possible, preferably <u>within one week</u>.

 Only use black or blue pen when completing these forms. Do not use pencil.

- Please do not return this cover sheet.

 Where requested, please fill in the box completely so the scanner can identify any changes.
- Please review the information on the form. Make corrections where necessary.

Intracompany Transfer: Is this a transaction between two related companies? (e.g., between subsidiary and parent company)

Class of Buyer/Setter: Please provide the Class of Buyer (Export Items) or Seller (Import Items) if the class affects the price. Examples of Classes of Buyer/Seller include Parent Company, Affiliate, Subsidiary, Sister Company, Distributor, Dealer, End User, etc. If the price does not vary with different buyers or sellers, please enter "Class does not affect the price."

Quantity Ordered: Does the price vary according to the Quantity Ordered? If so, please indicate a quantity for which you will onsistently provide price information.

Exported to (Export Items Only): Please provide price information for items exported to the specified destination only. If you previously indicated that the price charged to buyers was the same regardless of destination, 'World' will appear as the

<u>Duty</u> (Import Items Only): Please indicate any duty that is included in the price.

Discounts/Surcharges: Please indicate discounts or surcharges (quantity discount, commission, fuel surcharge, etc.) and the percentage or amount (and currency) of each. Specify whether you have already deducted the discount from the price you provided or whether you already added the surcharge.

Last Price Received: If this information is incorrect according to your records, please correct it in the Remarks area. (EST indicates that the previous price was estimated).

Prices: Transaction prices are preferred. These are prices at which you actually bought the item (imports) or sold the item (exports). Please provide the price for the transaction nearest the beginning of the month. If the price has changed from the Last Price Received, please enter the new price in the boxes in #2.

Price Bases: Incoterm examples include: EXW; FCA; FAS; FOB; CFR; CIF; CPT; CIP; DAF; DES; DEQ; DDU; DDP Please append the named place or port of shipment or of destination, as appropriate, to the item description. For definitions, refer to http://www.iccwbo.org/incoterms/.

- If there has been no change in the price, please fill in the box to the right of #3.
- If the item was not traded this month, please fill in the box to the right of #4. Even though the item was not traded, please estimate in box #2 the price that would have been charged for an actual transaction.
- Please enter the change in production cost that resulted from a modification to the physical characteristics of the item. Please do not simply enter the total change in price unless it is the same as the production cost.
- If the item has been discontinued, fill in the box in #6. Please call the analyst listed to provide more specific information regarding the discontinuation. If the item was replaced, please enter the new item description under #1.
