Inventory List of Individual Collection(s) of Information
by
The Western Area Power Administration

There is only one Collection of Information being proposed by the Western Area Power Administration, specifically the Applicant Profile Data (APD). Based on a number of respondents completing the APD estimated at 100 over a 3 year period, the annual hour and cost burdens are listed below.

Table 1: Annual Hour Burden Estimates

Activity	Number of respondents	Number of responses per respondent	Average burden hour per response	Sub-total burden hours
APD	33.333	1	8	266.67
Record Keeping	30	1	1	30.00
			Total Burden	296.67

Table 2: Annual Cost Burden Estimate

Instrument	Number of respondents	Number of responses per respondent	Average annual burden hour	Cost per burden hour	Cost per response	Sub-total cost
Prepare APD	33.333	1	8	$100	$ 800.00	$26,666.40
Record Keeping	30	1	1	$50	$ 50.00	$1,500.00
					Total Cost	$28,166.40
