

JUSTIFICATION STATEMENT FOR NO MATERIAL/NONSUBSTANTIVE
CHANGE
FOR
PROTECTION OF STRATOSPHERIC OZONE: REQUEST FOR APPLICATIONS
FOR CRITICAL USE EXEMPTION FOR THE PHASEOUT OF METHYL BROMIDE

This change package is adding the burden currently approved under 2060-0564 to this ICR, 2060-0482. This will create a single comprehensive ICR for the methyl bromide CUE program. Once this change is approved, EPA will discontinue 2060-0564.
