

evidence to support or document compliance with these laws, including reports required by applicable statutes or the regulations in this chapter.

ENFORCEABILITY DESPITE RULE
CHANGES

§ 120.180 Are rules enforceable if they are changed later?

Regulations and contractual provisions in effect at the time of a transaction govern an SBA loan financing transaction, notwithstanding subsequent rule or contract changes. SBA may conduct an enforcement action regarding any violation of provisions of regulations or contracts applicable at the time, but no longer in effect or in use.

LOAN APPLICATIONS

§ 120.190 Where does an applicant apply for a loan?

An applicant for a business loan should apply to:

- (a) A Lender for a guaranteed or immediate participation loan;
- (b) A CDC for a 504 loan;
- (c) An Intermediary for a Microloan; or
- (d) SBA for a direct loan.

§ 120.191 The contents of a business loan application.

For most business loans, SBA requires that an application for a business loan contain, among other things, a description of the history and nature of the business, the amount and purpose of the loan, the collateral offered for the loan, current financial statements, historical financial statements (or tax returns if appropriate) for the past three years, IRS tax verification, and a business plan, when applicable. Personal histories and financial statements will be required from principals of the applicant (and the Operating Company, if applicable).

§ 120.192 Approval or denial.

Applicants receive notice of approval or denial by the Lender, CDC, Intermediary, or SBA, as appropriate. Notice of denial will include the reasons. If a loan is approved, an Authorization will be issued.

§ 120.193 Reconsideration after denial.

An applicant or recipient of a business loan may request reconsideration of a denied loan or loan modification request within 6 months of denial. Applicants denied due to a size determination can appeal that determination under part 121 of this chapter. All others must be submitted to the office that denied the original request. To prevail, the applicant must demonstrate that it has overcome all legitimate reasons for denial. Six months after denial, a new application is required. If the reconsideration is denied, a second and final reconsideration may be considered by the Associate Administrator for Financial Assistance (AA/FA), whose decision is final.

COMPUTERIZED SBA FORMS

§ 120.194 Use of computer forms.

Any Applicant or Participant may use computer generated SBA application forms, closing forms, and other forms designated by SBA if the forms are exact reproductions of SBA forms.

REPORTING OF FEES

§ 120.195 Disclosure of fees.

An Applicant for a business loan must identify to SBA the name of each Agent as defined in part 103 of this chapter that helped the applicant obtain the loan, describing the services performed, and disclosing the amount of each fee paid or to be paid by the applicant to the Agent in conjunction with the performance of those services.

**Subpart B—Policies Specific to
7(a) Loans**

BONDING REQUIREMENTS

§ 120.200 What bonding requirements exist during construction?

On 7(a) loans which finance construction, the Borrower must supply a 100 percent payment and performance bond and builder's risk insurance, unless waived by SBA.

(i) The group has suffered prejudice, bias, or discriminatory practices;

(ii) Those conditions have resulted in economic deprivation for the group of the type which Congress has found exists for the groups named in the Small Business Act; and

(iii) Those conditions have produced impediments in the business world for members of the group over which they have no control and which are not common to small business owners generally.

(3) *Procedure.* The notice published under paragraph (d)(1) of this section will authorize a specified period for the receipt of public comments supporting or opposing the petition for socially disadvantaged group status. If appropriate, SBA may hold hearings. SBA may also conduct its own research relative to the group's petition.

(4) *Decision.* In making a final decision that a group should be considered presumptively disadvantaged, SBA must find that a preponderance of the evidence demonstrates that the group has met the standards set forth in paragraph (d)(2) of this section based on SBA's consideration of the group petition, the comments from the public, and any independent research it performs. SBA will advise the petitioners of its final decision in writing, and publish its conclusion as a notice in the FEDERAL REGISTER. If appropriate, SBA will amend paragraph (b)(1) of this section to include a new group.

§ 124.104 Who is economically disadvantaged?

(a) *General.* Economically disadvantaged individuals are socially disadvantaged individuals whose ability to compete in the free enterprise system has been impaired due to diminished capital and credit opportunities as compared to others in the same or similar line of business who are not socially disadvantaged.

(b) *Submission of narrative and financial information.* (1) Each individual claiming economic disadvantage must describe it in a narrative statement, and must submit personal financial information.

(2) When married, an individual claiming economic disadvantage also must submit separate financial infor-

mation for his or her spouse, unless the individual and the spouse are legally separated.

(c) *Factors to be considered.* In considering diminished capital and credit opportunities, SBA will examine factors relating to the personal financial condition of any individual claiming disadvantaged status, including personal income for the past two years (including bonuses and the value of company stock given in lieu of cash), personal net worth, and the fair market value of all assets, whether encumbered or not. SBA will also consider the financial condition of the applicant compared to the financial profiles of small businesses in the same primary industry classification, or, if not available, in similar lines of business, which are not owned and controlled by socially and economically disadvantaged individuals in evaluating the individual's access to credit and capital. The financial profiles that SBA compares include total assets, net sales, pre tax profit, sales/working capital ratio, and net worth.

(1) *Transfers within two years.* (i) Except as set forth in paragraph (c)(1)(ii) of this section, SBA will attribute to an individual claiming disadvantaged status any assets which that individual has transferred to an immediate family member, or to a trust a beneficiary of which is an immediate family member, for less than fair market value, within two years prior to a concern's application for participation in the 8(a) BD program or within two years of a Participant's annual program review, unless the individual claiming disadvantaged status can demonstrate that the transfer is to or on behalf of an immediate family member for that individual's education, medical expenses, or some other form of essential support.

(ii) SBA will not attribute to an individual claiming disadvantaged status any assets transferred by that individual to an immediate family member that are consistent with the customary recognition of special occasions, such as birthdays, graduations, anniversaries, and retirements.

(iii) In determining an individual's access to capital and credit, SBA may consider any assets that the individual

transferred within such two-year period described by paragraph (c)(1)(i) of this section that SBA does not consider in evaluating the individual's assets and net worth (e.g., transfers to charities).

(2) *Net worth.* For initial 8(a) BD eligibility, the net worth of an individual claiming disadvantage must be less than \$250,000. For continued 8(a) BD eligibility after admission to the program, net worth must be less than \$750,000. In determining such net worth, SBA will exclude the ownership interest in the applicant or Participant and the equity in the primary personal residence (except any portion of such equity which is attributable to excessive withdrawals from the applicant or Participant). Exclusions for net worth purposes are not exclusions for asset valuation or access to capital and credit purposes.

(i) A contingent liability does not reduce an individual's net worth.

(ii) The personal net worth of an individual claiming to be an Alaska Native will include assets and income from sources other than an Alaska Native Corporation and exclude any of the following which the individual receives from any Alaska Native Corporation: cash (including cash dividends on stock received from an ANC) to the extent that it does not, in the aggregate, exceed \$2,000 per individual per annum; stock (including stock issued or distributed by an ANC as a dividend or distribution on stock); a partnership interest; land or an interest in land (including land or an interest in land received from an ANC as a dividend or distribution on stock); and an interest in a settlement trust.

§ 124.105 What does it mean to be unconditionally owned by one or more disadvantaged individuals?

An applicant or Participant must be at least 51 percent unconditionally and directly owned by one or more socially and economically disadvantaged individuals who are citizens of the United States, except for concerns owned by Indian tribes, Alaska Native Corporations, Native Hawaiian Organizations, or Community Development Corporations (CDCs). See § 124.3 for definition of unconditional ownership; and §§ 124.109,

124.110, and 124.111, respectively, for special ownership requirements for concerns owned by Indian tribes, ANCs, Native Hawaiian Organizations, and CDCs.

(a) *Ownership must be direct.* Ownership by one or more disadvantaged individuals must be direct ownership. An applicant or Participant owned principally by another business entity or by a trust (including employee stock ownership trusts) that is in turn owned and controlled by one or more disadvantaged individuals does not meet this requirement. However, ownership by a trust, such as a living trust, may be treated as the functional equivalent of ownership by a disadvantaged individual where the trust is revocable, and the disadvantaged individual is the grantor, a trustee, and the sole current beneficiary of the trust.

(b) *Ownership of a partnership.* In the case of a concern which is a partnership, at least 51 percent of every class of partnership interest must be unconditionally owned by one or more individuals determined by SBA to be socially and economically disadvantaged. The ownership must be reflected in the concern's partnership agreement.

(c) *Ownership of a limited liability company.* In the case of a concern which is a limited liability company, at least 51 percent of each class of member interest must be unconditionally owned by one or more individuals determined by SBA to be socially and economically disadvantaged.

(d) *Ownership of a corporation.* In the case of a concern which is a corporation, at least 51 percent of each class of voting stock outstanding and 51 percent of the aggregate of all stock outstanding must be unconditionally owned by one or more individuals determined by SBA to be socially and economically disadvantaged.

(e) *Stock options' effect on ownership.* In determining unconditional ownership, SBA will disregard any unexercised stock options or similar agreements held by disadvantaged individuals. However, any unexercised stock options or similar agreements (including rights to convert non-voting stock or debentures into voting stock) held by non-disadvantaged individuals will be treated as exercised, except for

or demonstrate potential for success as set forth in paragraph (e)(2) of this section.

(2) In determining whether a CDC-owned concern has the potential for success, SBA will look at a number of factors including, but not limited to:

(i) The technical and managerial experience and competence of the individual(s) who will manage and control the daily operation of the concern;

(ii) The financial capacity of the concern; and

(iii) The concern's record of performance on any previous Federal or private sector contracts in the primary industry in which the concern is seeking 8(a) certification.

(g) A CDC-owned applicant and all of its principals must have good character as set forth in §124.108(a).

§124.112 What criteria must a business meet to remain eligible to participate in the 8(a) BD program?

(a) *Standards.* In order for a concern (except those owned by Indian tribes, ANCs, Native Hawaiian Organizations or CDCs) to remain eligible for 8(a) BD program participation, it must continue to meet all eligibility criteria contained in §124.101 through §124.108. For concerns owned by Indian tribes, ANCs, Native Hawaiian Organizations or CDCs to remain eligible, they must meet the criteria set forth in this §124.112 to the extent that they are not inconsistent with §124.109, §124.110 and §124.111, respectively. The concern must inform SBA in writing of any changes in circumstances which would adversely affect its program eligibility, especially economic disadvantage and ownership and control. Any concern that fails to meet the eligibility requirements after being admitted to the program will be subject to termination or early graduation under §§124.302 through 124.304, as appropriate.

(b) *Submissions supporting continued eligibility.* As part of an annual review, each Participant must annually submit

(2) A certification that there have been no changed circumstances which could adversely affect the Participant's program eligibility. If the Participant is unable to provide such certification, the Participant must inform SBA of any changes and provide relevant supporting documentation.

(3) Personal financial information for each disadvantaged owner;

(4) A record from each individual claiming disadvantaged status regarding the transfer of assets for less than fair market value to any immediate family member, or to a trust any beneficiary of which is an immediate family member, within two years of the date of the annual review. The record must provide the name of the recipient(s) and family relationship, and the difference between the fair market value of the asset transferred and the value received by the disadvantaged individual.

(5) A record of all payments, compensation, and distributions (including loans, advances, salaries and dividends) made by the Participant to each of its owners, officers or directors, or to any person or entity affiliated with such individuals;

(6) If it is an approved protege, a narrative report detailing the contacts it has had with its mentor and benefits it has received from the mentor/protege relationship. See §124.520(b)(4) for additional annual requirements;

(7) IRS Form 4506, Request for Copy or Transcript of Tax Form; and

(8) Such other information as SBA may deem necessary. For other required annual submissions, see §§124.601 through 124.603.

(c) *Eligibility reviews.* (1) Upon receipt of specific and credible information alleging that a Participant no longer meets the eligibility requirements for continued program eligibility, SBA will review the concern's eligibility for continued participation in the program.

(2) Sufficient reasons for SBA to conclude that a socially disadvantaged individual is no longer economically disadvantaged include, but are not limited to, excessive withdrawals of funds or other assets withdrawn from the concern by its owners, or substantial personal assets, income or net worth of any disadvantaged owner. SBA may also consider access by the Participant firm to a significant new source of capital or loans since the financial condition of the Participant is considered in evaluating the disadvantaged individual's economic status.

(d) *Excessive withdrawals.* (1) The term withdrawal includes, but is not limited to, the following: officer's salary; cash dividends; distributions in excess of amounts needed to pay S Corporation taxes; cash and property withdrawals; bonuses; loans; advances; payments to immediate family members; investments on behalf of an owner, officer, or key employee; acquisition of a business not merged with the 8(a) Participant; charitable contributions; and speculative ventures.

(2) If SBA determines that excessive funds or other assets have been withdrawn from the Participant, SBA may:

(i) Initiate termination proceedings under §§ 124.303 and 124.304 where the withdrawals detrimentally affect the achievement of the Participant's targets, objectives and goals set forth in its business plan, or its overall business development;

(ii) Initiate early graduation proceedings under §§ 124.302 and 124.303 where the withdrawals do not adversely affect the Participant's business development; or

(iii) Require an appropriate reinvestment of funds or other assets, as well as any other actions SBA deems necessary to counteract the detrimental effects of the withdrawals, as a condition of the Participant maintaining program eligibility.

(3) Withdrawals are excessive if during any fiscal year of the Participant they exceed (i) \$150,000 for firms with sales up to \$1,000,000; (ii) \$200,000 for firms with sales between \$1,000,000 and \$2,000,000; and (iii) \$300,000 for firms with sales over \$2,000,000.

(4) The fact that a concern's net worth has increased despite with-

drawals that are deemed excessive will not preclude SBA from determining that such withdrawals were detrimental to the attainment of the concern's business objectives or to its overall business development.

APPLYING TO THE 8(a) BD PROGRAM

§ 124.201 May any business submit an application?

Any concern or any individual on behalf of a business has the right to apply for 8(a) BD program participation whether or not there is an appearance of eligibility.

§ 124.202 Where must an application be filed?

An application for 8(a) BD program admission must be filed in the SBA Division of Program Certification and Eligibility (DPCE) field office serving the territory in which the principal place of business is located. The SBA district office will provide an applicant concern with information regarding the 8(a) BD program and with all required application forms.

§ 124.203 What must a concern submit to apply to the 8(a) BD program?

Each 8(a) BD applicant concern must submit those forms and attachments required by SBA when applying for admission to the 8(a) BD program. These forms and attachments will include, but not be limited to, financial statements, Federal personal and business tax returns, and personal history statements. An applicant must also submit IRS Form 4506, Request for Copy or Transcript of Tax Form, to SBA. The application package may be in the form of an electronic application.

§ 124.204 How does SBA process applications for 8(a) BD program admission?

(a) The AA/8(a)BD is authorized to approve or decline applications for admission to the 8(a) BD program. The appropriate DPCE field office will receive, review and evaluate all 8(a) BD applications except those from ANC-owned applicants. SBA's Anchorage District Office will receive all applications from ANC-owned applicants and review them for completeness before

Small Business Administration

§ 124.1002

concerns eligible to receive 8(a) contracts, including:

- (a) Assistance to develop comprehensive business plans with specific business targets, objectives, and goals;
- (b) Other nonfinancial services necessary for a Participant's growth and development, including loan packaging; and
- (c) Assistance in obtaining equity and debt financing.

Subpart B—Eligibility, Certification, and Protests Relating to Federal Small Disadvantaged Business Programs

SOURCE: 63 FR 35772, June 30, 1998, unless otherwise noted.

§ 124.1001 General applicability.

(a) This subpart defines a Small Disadvantaged Business (SDB). It also sets forth procedures by which a firm can apply to be recognized as an SDB, including procedures to be used by private sector entities approved by SBA for determining whether a particular concern is owned and controlled by one or more disadvantaged individuals or Alaska Native Corporations (ANCs), Community Development Corporations (CDCs), Indian tribes (tribes) or Native Hawaiian Organizations (NHOs). Finally, this subpart establishes procedures by which SBA determines whether a particular concern qualifies as an SDB in response to a protest challenging the concern's status as disadvantaged. Unless specifically stated otherwise, the phrase "socially and economically disadvantaged individuals" in this subpart includes tribes, ANCs, CDCs, and NHOs.

(b) Only small firms that are owned and controlled by socially and economically disadvantaged individuals are eligible to participate in Federal SDB price evaluation adjustment, evaluation factor or subfactor, monetary subcontracting incentive, or set-aside programs, or SBA's section 8(d) subcontracting program.

(c) In order for a concern to represent that it is an SDB as a prime contractor for purposes of a Federal Government procurement, it must have:

(1) Received a certification from SBA that it qualifies as an SDB; or

(2) Submitted an application for SDB certification to SBA or a Private Certifier, and must not have received a negative determination regarding that application from SBA or the Private Certifier.

(d) A firm cannot represent itself to be an SDB concern in order to receive a preference as an SDB for any Federal subcontracting program if it is not on the SBA-maintained list of qualified SDBs.

§ 124.1002 What is a Small Disadvantaged Business (SDB)?

(a) *Reliance on 8(a) criteria.* In determining whether a firm qualifies as an SDB, the criteria of social and economic disadvantage and other eligibility requirements established in subpart A of this part apply, including the requirements of ownership and control and disadvantaged status, unless otherwise provided in this subpart. Qualified Private Certifiers must use the 8(a) criteria applicable to ownership and control in determining whether a particular firm is actually owned and controlled by one or more individuals claiming disadvantaged status.

(b) *SDB eligibility criteria.* A small disadvantaged business (SDB) is a concern:

(1) Which qualifies as small under part 121 of this title for the size standard corresponding to the applicable four digit Standard Industrial Classification (SIC) code.

(i) For purposes of SDB certification, the applicable SIC code is that which relates to the primary business activity of the concern;

(ii) For purposes related to a specific Federal Government contract, the applicable SIC code is that assigned by the contracting officer to the procurement at issue;

(2) Which is at least 51 percent unconditionally owned by one or more socially and economically disadvantaged individuals as set forth in § 124.105. For the requirements relating to tribes and ANCs, NHOs, or CDCs, see §§ 124.109, 124.110, and 124.111, respectively.

(3) Except for tribes, ANCs, NHOs, and CDCs, whose management and

daily business operations are controlled by one or more socially and economically disadvantaged individuals. For the requirements relating to tribes and ANCs, NHOs, or CDCs, see §§ 124.109, 124.110, and 124.111, respectively.

(4) Which, for purposes of SDB procurement mechanisms authorized by 10 U.S.C. 2323 (such as price evaluation adjustments, evaluation factors or sub-factors, monetary subcontracting incentives, or SDB set-asides) relating to the Department of Defense, NASA and the Coast Guard only, has the majority of its earnings accruing directly to the socially and economically disadvantaged individuals.

(c) *Disadvantaged status.* In assessing the personal financial condition of an individual claiming economic disadvantage, his or her net worth must be less than \$750,000 after taking into account the exclusions set forth in § 124.104(c)(2).

(d) *Additional eligibility criteria.* Except for tribes, ANCs, CDCs and NHOs, each individual claiming disadvantaged status must be a citizen of the United States.

(e) *Potential for success not required.* The potential for success requirement set forth in § 124.107 does not apply as an eligibility requirement for an SDB.

(f) *Joint ventures.* Joint ventures are permitted for SDB procurement mechanisms (such as price evaluation adjustments, evaluation factors or sub-factors, monetary subcontracting incentives, or SDB set-asides), provided that the requirements set forth in this paragraph are met.

(1) The disadvantaged participant(s) to the joint venture must have:

- (i) Received an SDB certification from SBA; or
- (ii) Submitted an application for SDB certification to SBA or a Private Certifier, and must not have received a negative determination regarding that application.

(2) For purposes of this paragraph, the term joint venture means two or more concerns forming an association to engage in and carry out a single, specific business venture for joint profit. Two or more concerns that form an ongoing relationship to conduct business would not be considered "joint venturers" within the meaning of this

paragraph, and would also not be eligible to be certified as an SDB. The entity created by such a relationship would not be owned and controlled by one or more socially and economically disadvantaged individuals. Each contract for which a joint venture submits an offer will be evaluated on a case by case basis.

(3) Except as set forth in 13 CFR 121.103(h)(3), a concern that is owned and controlled by one or more socially and economically disadvantaged individuals entering into a joint venture agreement with one or more other business concerns is considered to be affiliated with such other concern(s) for size purposes. If the exception does not apply, the combined annual receipts or employees of the concerns entering into the joint venture must meet the applicable size standard corresponding to the SIC code designated for the contract.

(4) An SDB must be the managing venturer of the joint venture, and an employee of the managing venturer must be the project manager responsible for performance of the contract.

(5) The joint venture must perform any applicable percentage of work required of SDB offerors, and the SDB joint venturer(s) must perform a significant portion of the contract.

(g) *Ownership restrictions for non-disadvantaged individuals.* The ownership restrictions set forth in § 124.105 (g) and (h) for non-disadvantaged individuals and concerns do not apply for purposes of determining SDB eligibility.

[63 FR 35772, June 30, 1998, as amended at 69 FR 29208, May 21, 2004]

§ 124.1003 What is a Private Certifier?

A Private Certifier is an organization or business concern approved by SBA to determine whether firms are owned and controlled by one or more individuals claiming disadvantaged status. SBA may elect to arrange for one or more Private Certifiers to perform certain functions in the SDB Certification process. When that election is made, the provisions of §§ 124.1004 through 124.1007 will apply. SBA will establish more detailed standards regarding qualifications, monitoring, procedures and use, if any, of Private Certifiers in
