86) Volume (Quantity in **Kilograms**):

87) Unit:

88) Entered Value (U.S.\$):

89) Unit Value (\$/mt):

Before submitting this form to the Department of Commerce, you must check the box below to certify that, as a representative of the manufacturer or importer, the above information is accurate and complete to the best of your knowledge.

I certify that the above information is accurate and complete to the best of my knowledge. I also understand that certain information on this license regarding volume (or quantity), value and country of origin will be posted on public website aggregated with similar data from other licenses.

Public reporting for this collection of information is estimated to be 10 minutes per response, including the time for reviewing instructions, and completing and reviewing the collection of information. All responses to this collection of information are required, and will be provided confidentially to the extent allowed by law. Notwithstanding any other provision of law, no person is required to respond to nor shall a person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection of information displays a current valid OMB Control Number. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Reports Clearance Officer, International Trade Administration, Department of Commerce, Room 4001, 14th and Constitution Avenue, N.W., Washington, D.C. 20230.
