

Pre-notification Email

Dear NAME,

You have been recommended by staff at the NOAA Coastal Services Center for participation in an upcoming customer survey related to Center products and services. In about one week, I will be sending you an invitation to participate in a brief online survey related to your past involvement and use of NOAA Coastal Services Center decision-support tools, data or information resources, or technical assistance services. You may be one of several people in your organization that receives the survey.

I will be sending you a link (URL) for the online survey on DATE.

Please feel free to contact me with any questions related to this study by email at Chris.Ellis@noaa.gov or by telephone at (843) 740-1195.

Best regards,
Chris Ellis

Paperwork Reduction Act Information: In accordance with Executive Order 12862, the National Performance Review, and good management practices, NOAA offices seek to determine whether their customers are satisfied with the services and/or products they are receiving and whether they have suggestions as to how the services or products may be improved or made more useful. The information will be used to improve NOAA's products and services. Responses to this survey are completely voluntary. No confidentiality can be provided for responses, but you need not supply your name or address. Public reporting burden for this collection of information is estimated to average 20 minutes per response. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to NOAA PRA Clearance Officer, OFA81, Station 9823, 1315 East-West Highway, Silver Spring, MD 20910. Notwithstanding any other provision of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number.
