Expires 07/31/2008

Question Heading	Question Text	Answer Choices
User Background	What State are you representing?	Blank
	What County are you representing?	Blank
	What best describes your profession?	<ul style="list-style-type: none"> • County Surveyor (non-NACS member) • County Surveyor (NACS member) • Local Government Representative • Geodesist/Cartographer • Other Land Surveyor/Engineer • GIS/Mapping User • Other (Please Specify)
	What is your contact information? (<i>optional</i>)	<ul style="list-style-type: none"> • Email • Phone • Address
	How familiar are you with NGS' products and services?	<ul style="list-style-type: none"> • Very Familiar • Somewhat Familiar • Not Familiar
Infrastructure	<p>How would you rate your local positioning infrastructure?</p> <ul style="list-style-type: none"> • CORS GPS Data Availability • CORS Data Reliability • Monumented NGS Control- Horizontal • Monumented NGS Control - Vertical 	<ul style="list-style-type: none"> • Excellent • Adequate • Inadequate • Don't Know or N/A
	<p>Part of the mission of the National Geodetic Survey, is to provide the public with survey control information, such as Latitude, Longitude, Height and Gravity Data. NGS datasheets provide this information. Which NGS data retrieval options have you used? (check all that apply)</p>	<ul style="list-style-type: none"> • Traditional Datasheet • Shapefiles: Shapefiles format is intended to be used with a GIS or automated mapping system • SDTS: SDTS format is intended to be used with a GIS or automated mapping system • Tidal Bench Marks • Other (please specify)
	<p>NGS makes data available for a wide variety of uses. What has been your satisfaction with the following data?</p> <ul style="list-style-type: none"> • Aeronautical Photos and Data • CORS: GPS Continuously Operating Reference Stations • Monumented NGS Control- Horizontal • Monumented NGS Control - Vertical 	<ul style="list-style-type: none"> • Very Satisfied • Satisfied • Not Satisfied • Not Applicable

Paperwork Reduction Act Information: In accordance with Executive Order 12862, the National Performance Review, and good management practices, NOAA offices seek to determine whether their customers are satisfied with the services and/or products they are receiving and whether they have suggestions as to how the services/products may be improved or made more useful. The information will be used to improve NOAA's products and services. Responses to this survey are completely voluntary. No confidentiality can be provided for responses, but you need not supply your name or address. Public reporting burden for this collection of information is estimated to average fifteen minutes per response. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Brett Howe, brett.howe@noaa.gov, 201-713-3197x115.

Notwithstanding any other provision of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number.
