OMB No. 0651-0009 (Exp 9/30/2008)

Collective Membership Mark Form, Principal Register

Version 4.1

To file the application electronically, please complete the following steps:

1. Answer the first question below to create an application form showing only sections relevant to your specific filing.
2. For help at any point, click on any underlined word on any page.
3. After answering the first wizard question, click on the CONTINUE button at bottom of the page.
4. Once in the actual form, complete all fields with a * symbol, since they are mandatory fields for TEAS filing purposes.
5. Validate the form, using the "Validate" button at the end of the form. If there are errors, return to the form to make the correction. A "Warning" may be corrected or by-passed.
6. Double-check all entries through the links displayed on the Validation page.
7. You may save your work for submission at a later time by clicking on the Download Portable Data button at the bottom of the Validation page.
8. When ready to file, use the Pay/Submit button at the bottom of the Validation page. This will allow you to choose from three (3) different payment methods: credit card, automated deposit account, or electronic funds transfer.
9. After accessing the proper screen for payment, and making the appropriate entries, you will receive a confirmation screen if your transmission is successful. This screen will say SUCCESS! and will provide your assigned serial number.
10. You will receive an e-mail acknowledgement of your submission, which will repeat the assigned serial number and provide a summary of your submission.

Once you submit this application, we will not cancel the filing or refund your fee. The fee is a processing fee, which we do not refund even if we cannot issue a registration after our substantive review.

Important: ONCE YOU SUBMIT AN APPLICATION ELECTRONICALLY, THE USPTO WILL IMMEDIATELY ISSUE AN ELECTRONIC ACKNOWLEDGMENT OF RECEIPT. Please contact TEAS@uspto.gov if you do not receive this acknowledgment within 24 hours of transmission.

Contact Points:

- **General trademark information:** Please review the information posted at [Where Do I Start](#). If you have remaining questions, e-mail TrademarkAssistanceCenter@uspto.gov, or telephone 1-800-786-9199.
- **Help:** For instructions on how to *use* the electronic forms, or help in resolving *technical* glitches, please e-mail TEAS@uspto.gov. Please include your telephone number in your e-mail, so we can talk to you directly, if necessary. Also, include the relevant serial number or registration number, if existing. **NOTE:** The TEAS Support Team focuses on problems related to the process of completing the electronic forms, **not** on what information would be correct for entry within a form, or other broader trademark issues. Please route those types of inquiries to the Trademark Assistance Center. However, please be aware that neither group can provide any sort of information in the nature of "legal advice." For legal advice, please consider contacting an attorney who specializes in intellectual property.
- **Bug Report:** If you think there is a "bug" within one of the electronic forms, please click [Bug Report](#).
- **Status Information:** For an application with an assigned serial number, check [Trademark Applications and Registrations Retrieval](#) to view current status information, as well as the complete prosecution history. Do **not** attempt to check status until at least 7-10 days after submission of a filing, to allow sufficient time for all USPTO databases to be updated. You can view **all** items listed in the prosecution history section online at [Trademark Document Retrieval](#), including all office actions sent by the USPTO.
- **Training opportunities:** If you are interested in possible training opportunities regarding electronic filing, including the new TEAS form, please e-mail eComments@uspto.gov.

NOTE: This form has a session time limit of 60 minutes. If there is no activity within 60 minutes, the form will expire and you must begin again. A session begins once you click the Continue button, below. "Activity" means performing an actual function within the form (e.g., entering data or clicking on a data field), not merely moving "back" or "forward" from within your browser.

Each time a function is performed, a new 60-minute period begins. Therefore, this session time limit should only be a problem if you start the form and then totally stop work for more than 60 minutes, but will not be an issue if you happen to take longer than 60 minutes of steady work to complete the form.

1. Is an attorney filing this application?

Yes No

2. [OPTIONAL] To access previously-saved data, use the "Browse/Choose File" button below to access the file from your local drive. NOTE: For specific instructions, please click [here](#). FAILURE TO FOLLOW THESE INSTRUCTIONS WILL RESULT IN THE DISPLAY OF YOUR DATA IN A FORMAT THAT CANNOT BE EDITED.

Mark Information

Before the USPTO can register your mark, we must know exactly what the mark is. You may present your mark either as: (1) standard characters; or (2) special form (stylized and/or design). In this section of the form, you must present the mark *by itself*. If you are already using the mark in commerce, do **not** show here how the mark appears on a specimen (sample of actual use, *e.g.*, a label or advertisement. This will be required in a different part of the form, if appropriate.) Also, you may submit only **one** mark per application. An application that includes multiple marks may be denied a filing date or refused registration.

When you click on one of the two circles presented below, and follow the specific instructions, the system will automatically create a separate page that displays your mark. Please carefully review this page prior to final submission to the USPTO, to ensure that it accurately identifies your mark. You may not be able to change or correct your mark after filing this application. While minor changes in the mark are *sometimes* permitted, any material alteration will not be permitted and will result in the examining attorney issuing a refusal on that ground.

WARNING: AFTER SEARCHING THE USPTO DATABASE, EVEN IF YOU THINK THE RESULTS ARE "O.K.," DO NOT ASSUME THAT YOUR MARK CAN BE REGISTERED. AFTER YOU FILE AN APPLICATION, THE USPTO WILL PERFORM ITS OWN SEARCH AND OTHER REVIEW, AND MIGHT REFUSE TO REGISTER YOUR MARK.

* Click the appropriate circle to indicate the Mark type: Standard Characters Special Form (Stylized and/or Design)

Enter the mark here: (**Note:** The entry can be in capital letters, lower case letters, or a combination thereof. Do **not** include the TM, SM, ®, or © symbols after the mark entry, because they are **not** part of the actual mark. If using Internet Explorer, the entry cannot exceed **2036** characters; otherwise, you must switch to another browser.)

NOTE: For how the USPTO determines what the display of the entered mark will be, click [here](#).

NOTE: For information about mark display in USPTO databases, click [here](#)

Check here if you need to enter an additional statement, *e.g.*, a disclaimer, translation, or claim of ownership. The full range of possible statements will then be

displayed. If, upon review of all of the statements, you realize that no statement is needed, you must click on the box to "uncheck" it, and the entire Additional Statement section will be removed.

Collective Membership Mark Form, Principal Register

Version 4.1

Identification

An identification of goods or services is not appropriate in connection with a collective membership mark. The purpose of a collective membership mark is to indicate membership in an organization. Appropriate identification language would be, "to indicate membership in an organization (association, club or the like)..." followed by a phrase indicating the nature of the organization or association, e.g., "to indicate membership in an organization of computer professionals."

You may indicate the nature of an organization by specifying the area of activity of its members (e.g., they may sell lumber, or cosmetics, or food, or they may provide services as engineers or accountants). If goods or services are not directly involved, the nature of an organization can be indicated by specifying the organization's type or purpose (such as a service or social club, a political society, a trade association, a beneficial fraternal organization, or the like). Detailed descriptions of an organization's objectives or activities are not necessary. It is sufficient if the identification indicates broadly either the field of activity as related to the goods or services, or the general type or purpose of the organization.

Electronic Signature

The application will not be "signed" in the sense of a traditional paper document. To verify the contents of the application, the signatory must enter any alpha/numeric character(s) or combination thereof of his or her choosing, preceded and followed by the forward slash (/) symbol. The USPTO does **not** determine or pre-approve what the entry should be, but simply presumes that this specific entry has been adopted to serve the function of the signature. Most signatories simply enter their names between the two forward slashes, although acceptable "signatures" could include /john doe/; /jd/; or /123-4567/. The application may still be validated to check for missing information or errors even if the signature and date signed fields are left blank; however, you must specifically click the button for "Submit application unsigned," *above*.
