Selection of Application Type

Which type of form do you wish to use? Select from one of the two versions, *below*, and then click on the CONTINUE button at the *bottom of the page*.

WARNING: If attaching an image file, it **MUST** be in the JPG/PDF format (except for a mark image, which may only be JPG). **NO OTHER IMAGE FILE TYPES ARE ACCEPTED.**

TEAS Plus Form

This form has a lower filing fee of \$275 per class of goods and/or services, but has stricter requirements, than the TEAS form, below. Select this option **ONLY** if you agree to:

- file a "complete" application that satisfies all requirements set forth in Rule 2.22(a), not only the regular "minimum requirements" for obtaining a filing date. Almost all fields in this form are mandatory;
- select the listing of goods and/or services for this application directly from the USPTO's Acceptable Identification of Goods and Services Manual. While certain listings will allow for "customization," total "free-text" entries for identifications **CANNOT** be made;
NOTE: We strongly recommend that you confirm that your identifications appear in the Manual (using the provided link, *above*) **BEFORE** even entering the TEAS Plus form; otherwise, you may spend time completing some of the application, only to discover you were not eligible for a TEAS Plus filing once you reach the Goods/Services section of the form. If the term(s) does not appear, you can request that an identification be added, by e-mailing TMIDSUGGEST@uspto.gov; however, this would not enable you to file immediately. For more information on this process, click [here](#). The TEAS Plus version of the ID Manual intentionally does not include items classified in Classes A, B, or 200, because those marks are not eligible for filing under TEAS Plus. Also missing are any listings that appear in the "regular" manual under "000," because correct classification is required under TEAS Plus, and classification for these listings varies according to the additional information provided within the listing.
- attach all required image files, where applicable, in the .jpg format (for specimens, foreign registration certificates, consents, evidence) (except for sounds marks, for which a .wav or MP3 file can be submitted separately);
- pay the fees for ALL classes at the time of filing;
- file certain later communications regarding the application, such as a response to an Office action, through TEAS. See Rule 2.23(a)(1) for the listing of forms that must be filed through TEAS; and
- receive communications concerning the application by electronic mail (e-mail) during the pendency of the application.

NOTE: If you use the TEAS Plus version of the form, you must pay an additional fee of \$50 per class if, at any time during the examination of the application, the Office determines that (1) the application did not meet the filing requirements for a TEAS Plus application as of the filing date, as set forth in Rule 2.22(a); (2) the applicant files a paper form after the initial application, but a TEAS form existed for that purpose, e.g., a response to an Office action; and/or (3) the applicant refuses to receive correspondence from the Office by electronic mail (e-mail) during the pendency of the application.

2. For help at any point, click on any underlined word on any page
3. After answering the first wizard questions, click on the CONTINUE button at bottom of the page.
4. Once in the actual form, complete all fields with a * symbol since they are mandatory fields for TEAS Plus filing purposes.
5. Validate the form, using the "Validate" button at the end of the form. If there are errors, return to the form to make the correction. A "Warning" may be corrected or by-passed.
6. Double-check all entries through the links displayed on the Validation page.
7. You may save your work for submission at a later time by clicking on the Download Portable Data button at the bottom of the Validation page.
8. When ready to file, use the Pay/Submit button at the bottom of the Validation page. This will allow you to choose from three (3) different payment methods: credit card, automated deposit account, or electronic funds transfer.
9. After accessing the proper screen for payment, and making the appropriate entries, you will receive a confirmation screen if your transmission is successful. This screen will say SUCCESS! and will provide your assigned serial number.
10. You will receive an e-mail acknowledgement of your submission, which will repeat the assigned serial number and provide a summary of your submission.

Once you submit this application, we will not cancel the filing or refund your fee. The fee is a processing fee, which we do not refund even if we cannot issue a registration after our substantive review.

Important: ONCE YOU SUBMIT AN APPLICATION ELECTRONICALLY, THE USPTO WILL IMMEDIATELY ISSUE AN ELECTRONIC ACKNOWLEDGMENT OF RECEIPT. Please contact TEAS@uspto.gov if you do not receive this acknowledgment within 24 hours of transmission.

Contact Points:

- **General trademark information:** Please review the information posted at [Where Do I Start](#). If you have remaining questions, e-mail

TrademarkAssistanceCenter@uspto.gov, or telephone 1-800-786-9199.

- **Help:** For instructions on how to *use* the electronic forms, or help in resolving *technical* glitches, please e-mail TEAS@uspto.gov. Please include your telephone number in your e-mail, so we can talk to you directly, if necessary. Also, include the relevant serial number or registration number, if existing. **NOTE:** The TEAS Support Team focuses on problems related to the process of completing the electronic forms, **not** on what information would be correct for entry within a form, or other broader trademark issues. Please route those types of inquiries to the Trademark Assistance Center. However, please be aware that neither group can provide any sort of information in the nature of "legal advice." For legal advice, please consider contacting an attorney who specializes in intellectual property.
- **Bug Report:** If you think there is a "bug" within one of the electronic forms, please click [Bug Report](#).
- **Status Information:** For an application with an assigned serial number, check [Trademark Applications and Registrations Retrieval](#) to view current status information, as well as the complete prosecution history. Do **not** attempt to check status until at least 7-10 days after submission of a filing, to allow sufficient time for all USPTO databases to be updated. You can view **all** items listed in the prosecution history section online at [Trademark Document Retrieval](#), including all office actions sent by the USPTO.
- **Training opportunities:** If you are interested in possible training opportunities regarding electronic filing, including the new TEAS Plus form, please e-mail eComments@uspto.gov.

NOTE: This form has a session time limit of 60 minutes. If there is no activity within 60 minutes, the form will expire and you must begin again. A session begins once you click the Continue button, below. "Activity" means performing an actual function within the form (e.g., entering data or clicking on a data field), not merely moving "back" or "forward" from within your browser.

Each time a function is performed, a new 60-minute period begins. Therefore, this session time limit should only be a problem if you start the form and then totally stop work for more than 60 minutes, but will not be an issue if you happen to take longer than 60 minutes of steady work to complete the form.

1. Is an attorney filing this application?

Yes No

2. [**OPTIONAL**] To access previously-saved data, use the "Browse/Choose File" button below to access the file from your local drive. **NOTE: For specific instructions, please click [here](#). FAILURE TO FOLLOW THESE INSTRUCTIONS WILL RESULT IN THE DISPLAY OF YOUR DATA IN A FORMAT THAT CANNOT BE EDITED.**

NOTICE: This form will be modified during a TEAS site upgrade scheduled for December 15, 2007. All "portable" forms and "e-signature" forms started prior to December 15, 2007 must be filed by December 14, 2007. If you are unable to submit the form on or before December 14, 2007, you will need to start the process again with an updated form. We apologize for any inconvenience this may cause.

Trademark/Service Mark Application, Principal Register TEAS Plus Application (Version 4.1)

Mark Information

Before the USPTO can register your mark, we must know exactly what the mark is. You may present your mark either as: (1) standard characters; or (2) special form (stylized and/or design). In this section of the form, you must present the mark *by itself*. If you are already using the mark in commerce, do **not** show here how the mark appears on a specimen (sample of actual use, *e.g.*, a label or advertisement. This will be required in a different part of the form, if appropriate.) Also, you may submit only **one** mark per application. An application that includes multiple marks may be denied a filing date or refused registration.

When you click on one of the two circles presented below, and follow the specific instructions, the system will automatically create a separate page that displays your mark. Please carefully review this page prior to final submission to the USPTO, to ensure that it accurately identifies your mark. You may not be able to change or correct your mark after filing this application. While minor changes in the mark are *sometimes* permitted, any material alteration will not be permitted and will result in the examining attorney issuing a refusal on that ground.

WARNING: AFTER SEARCHING THE USPTO DATABASE, EVEN IF YOU THINK THE RESULTS ARE "O.K.," DO NOT ASSUME THAT YOUR MARK CAN BE REGISTERED. AFTER YOU FILE AN APPLICATION, THE USPTO WILL PERFORM ITS OWN SEARCH AND OTHER REVIEW, AND MIGHT REFUSE TO REGISTER YOUR MARK.

* Click the appropriate circle to indicate the Mark type: Standard Characters Special Form (Stylized and/or Design)

Enter the mark here: (**Note:** The entry can be in capital letters, lower case letters, or a combination thereof. Do **not** include the TM, SM, ®, or © symbols after the mark entry, because they are **not** part of the actual mark. If using Internet Explorer, the entry cannot exceed **2036** characters; otherwise, you must switch to another browser.)

NOTE: For how the USPTO determines what the display of the entered mark will be, click [here](#).

NOTE: For information about mark display in USPTO databases, click [here](#)

Check here if you need to enter an additional statement, *e.g.*, a disclaimer, translation, or claim of ownership. The full range of possible statements will then be displayed. If, upon review of all of the statements, you realize that no statement is needed, you must click on the box to "uncheck" it, and the entire Additional

Statement section will be removed.

NOTE: You **MUST** enter certain additional statements (those designated within the section with an asterisk (*)) at the time you file this application, if applicable under the specific application facts, to qualify as a TEAS Plus filing. Failure to do so will result in the examining attorney requiring the payment of an additional \$50 fee per class, because the application will lose its TEAS Plus status; therefore, you are encouraged to review the additional statement section in its entirety before proceeding to the next section.

Additional Statement

- This section is for the entry of various statements that may pertain to the mark. For any field herein designated with an asterisk (*), you must make an entry to maintain TEAS Plus status, if applicable within the facts of the application. You are not required to enter any of the other statements at the time of filing; however, you may be required to add a statement(s) to the record during examination of the application. If you are unsure about whether you should make such a statement, the examining attorney assigned to your application will make a requirement, if appropriate.
- To select a statement, enter any required information specific to your mark (or, if no information must be entered, check the box in front of the existing statement to select it). If you make an entry, but then determine it was not correct and no additional statements should appear, you must click on the original box that produced the Additional Statement section, to "uncheck" it so that the entire section will be removed. Otherwise, if one additional statement exists, but a second entry was made in error, simply remove the entry from the statement that you do not wish to use.

DISCLAIMER: "No claim is made to the exclusive right to use [] apart from the mark as shown."

* **PRIOR REGISTRATION(S):** "The applicant claims ownership of U.S. Registration Number(s) [], [], []."

(Required if warranted by facts of application.) **NOTE:** Entry must not include any commas, and must be 7 numerals long (if necessary, add leading 0's to number, e.g., 0086417).

Check here to indicate there are additional prior U.S. Registration Number(s).

* **TRANSLATION:** "The foreign wording in the mark translates into English as []." (Required if warranted by facts of application.)

* **TRANSLITERATION:** "The non-Latin character(s) in the mark transliterate into [], and in English this means []." (Required if warranted by facts of application. **NOTE:** Not required for *any* standard character marks.)

SIGNIFICANCE OF WORDING, LETTER(S), OR NUMERAL(S):

"[] appearing in the mark means or signifies [] in the relevant trade or industry or as applied to the goods/services listed in the application."

"[] appearing in the mark has no significance in the relevant trade or industry or as applied to the goods/services listed in the application, no geographical significance, nor any meaning in a foreign language."

§2(f), based on Use: "The mark has become distinctive of the goods/services through the applicant's substantially exclusive and continuous use in commerce for at least the five years immediately before the date of this statement."

§2(f), based on Prior Registration(s): "The mark has become distinctive of the goods/services as evidenced by the ownership on the Principal Register for the same mark for related goods or services of U.S. Registration No(s). []."

§2(f), based on Evidence: "The mark has become distinctive of the goods/services, as demonstrated by the attached evidence."

§2(f), IN PART, based on Use: "[] has become distinctive of the goods/services through the applicant's substantially exclusive and continuous use in commerce for at least the five years immediately before the date of this statement."

§2(f), IN PART, based on Prior Registration(s): "[] has become distinctive of the goods/services as evidenced by the ownership on the Principal Register for the same mark for related goods or services of U.S. Registration No(s). []."

§2(f), IN PART, based on Evidence: "[] has become distinctive of the goods/services, as demonstrated by the attached evidence."

*** NAME(S), PORTRAIT(S), SIGNATURE(S) OF INDIVIDUAL(S):** (Required if warranted by facts of application.)

"The name(s), portrait(s), and/or signature(s) shown in the mark identifies [], whose consent(s) to register is made of record."

"The name(s), portrait(s), and/or signature(s) shown in the mark does not identify a particular living individual."

USE OF THE MARK IN ANOTHER FORM: "The mark was first used anywhere in a different form other than that sought to be registered on [], and in commerce on []."

*** CONCURRENT USE:** Enter the appropriate concurrent use information, e.g., specify the goods and the geographic area for which registration is sought.

[] (Required if warranted by facts of application.)

Goods and/or Services Information

Instructions:

Step 1: Click on the "Add Goods/Services by Searching IDManual" button below to select goods and/or services from the *Manual of Trademark Acceptable Identifications of Goods & Services* (IDManual).

Step 2: After creating the complete list of goods and/or services for this application, you will then be able in the next section of the form to designate the filing basis (or bases) appropriate for each listed item.

NOTE:

1. The desired term(s) must appear in the IDManual for you to use the TEAS Plus form. If the term(s) does not appear, you can request that an identification be added, by e-mailing TMIDSUGGEST@uspto.gov; however, this would not enable you to file immediately. For more information on this process, click [here](#).
2. The TEAS Plus version of the IDManual intentionally does not include the following: (1) items classified in Classes A, B, or 200, because those marks are not eligible for filing under TEAS Plus; (2) any listings that appear in the "regular" manual under "000," because correct classification is required under TEAS Plus, and classification for these listings varies according to the additional information provided within the listing; and (3) the Class 25 listing of "Clothing, namely, ...", because this entry is too open-ended, and could result in items being listed that do not truly fall within this class. Since specific clothing items must be listed anyway, the TEAS Plus version of the form requires the *initial* selection of those specific items.
3. If you cannot access the IDManual through the "Add Goods/Services by Searching IDManual" button, try switching to another browser. If after changing browsers you still cannot access the IDManual through the "Add Goods/Services by Searching IDManual" button, please contact TEAS@uspto.gov.

NOTE: Clicking "Go Back" will take you directly back to the MARK section of the form. Clicking "Continue" prior to assigning a filing basis will result in an error.

Instructions:

Step 1: Enter a word or phrase to search for Goods and/or Services.

- Search requests can be for a single item (*e.g.*, pants), or multiple items (*e.g.*, pants shirts shoes). While also possible to search for goods and/or services in different classes at the same time (*e.g.*, pants baseballs), separate searches are recommended. The form will compile an "overall goods/services list," regardless of the search approach.
NOTE: Most manual entries are displayed in the plural. *e.g.*, the entry is "soups," rather than "soup." While entering the search term "soup" will retrieve "soups," it would first be preceded by other listings, *e.g.*, "soup tureens" and "soup mixes."
- To search for an entry where the single entry consists of multiple words, enclose the complete entry within quotation marks; *e.g.*, enter "computer programs" rather than computer programs.
- To browse the complete listing of items in one or more classes, enter the following search criteria: class:NNN or class:(NNN NNN etc.), where NNN is the 3-digit International class number; *e.g.*, to search for all items in International Class 3, enter class:003; for all items in International Classes 25 and 42, enter class:(025 042).
- For a listing of all International class headings, including a summary of the types of items within each class, click [here](#).
- For more information about using advanced query syntax (*e.g.*, using truncation), click [here](#).

Step 2: Once the desired search criteria has been entered, click the "Go" button, and then all manual entries containing the requested term (s) will be displayed.

NOTE: Because the interfaces for TEAS and the *Trademark Acceptable Identification of Goods & Services Manual* differ, results for identical searches performed in each may vary slightly, even though both access the same data source.
