TITLE: NITRC (The Neuroimaging Informatics Tools and Resources Clearinghouse) Web site User Satisfaction Survey

GENERIC CLEARANCE UNDER OMB# 0925-0486 **EXP. DATE:** 07/31/2010

ABSTRACT:

This Web survey is designed to measure customer satisfaction with the Neuroimaging Informatics Tools and Resources Clearinghouse Website; URL <http://www.nitrc.org/>. Results from this survey will be used to improve the content and navigation of the web site.

The target number of respondents for this survey is 1,200. To ensure that this target is reached, the survey is offered in two ways. All site visitors are presented with a graphic or textual link on the Web page. They are also provided with an additional incentive for taking the survey. The respondents are given the option and if interested, can send an email to an address provided, indicating their mailing address so that if they are among the first 25 respondents they can receive a coffee mug and if they are among the next 100, they receive a dry erase board.
