Title 44 CFR part 204.41 defines Fire Management Assistance eligibility criteria as: (a) The following entities are eligible to apply through a State grantee for a subgrant under an approved fire management assistance grant: 1) State agencies; 2) Local government; and 3) Indian tribal governments. (b) Entities that are not eligible to apply for a subgrant as identified in(a), such as privately owned entities and volunteer firefighting organizations, may be reimbursed through a contract or compact with an eligible applicant for cost associated with the fire complex. (c) Eligibility is contingent upon the finding that the applicant's resources were requested by the Incident Commander or comparable State official. (d) The activities performed must be the legal responsibility of the applying entity, required as a result of the fire complex for which a fire management assistance declaration was approved, and located within the declared area.
